

The book cover features a photograph of a man with a thick, dark beard and mustache. He is wearing a dark, button-down shirt that is open at the collar. The background of the photo is a light-colored wooden wall. The title 'HAIR' is printed in large, white, outlined capital letters across the center of the image. Below the title, the subtitle 'HAIRY MEN IN GAY ART' is printed in smaller, white, sans-serif capital letters.

Susan Niditch

Hair Hairy Men In Gay Art:

Hair Joris Buiks, 2010 Yet another volume in the successful line of Bruno Gmunder's erotic anthologies *Hair* says goodbye to those magic words of the past shaved and trained. Featuring both breathtaking photography and stunning artwork it is dedicated to man as nature created him: masculine, sexy, muscled, and hairy. Beards and chest hair are more than welcome in this gorgeous and varied overview of rediscovered maleness. **My Brother Esau is a Hairy Man** Susan Niditch, 2008 Over the last decade there has been an explosion of scholarly interest in the relationship between culture and the body. One topic that has emerged is the role of hair in the presentation of the body. Hair plays an integral and intricate role in the way human beings represent and identify themselves. The way we treat our hair has to do with aesthetics, social structure, religious identity, and a host of other aspects of culture. In societies both modern and ancient, the hairdo is one of the keys to a group's cultural code. In the traditions of ancient Israel, hair relates to important aspects of identity concerning gender, ethnicity, and holiness. In this book, Susan Niditch seeks a deeper understanding of Israelite culture as expressed, shaped, and reinforced in images of hair, a complex symbol drawn from the body. Among the examples she considers is the tradition's most famous long-haired hero, Samson. The hair that assures Samson's strength is a common folktale motif, but it also represents his ritual consecration as a Nazirite. Niditch examines the meaning of the Nazirite status held by Samuel and Elisha as well as Samson in detail, arguing that long hair is involved in a complex set of cultural assumptions about men, warrior status, and divine election. In addition to the biblical texts, Niditch looks at pictorial representations of hair and other material evidence. Her final chapter turns to the troubling passages in which men impose hair cutting or loosening upon women, which she argues reveal much about attitudes to women and the place of women in Israelite culture. **Homosexuality and Sexuality** Lawrence Mass, 1990 *Christopher Street* Charles Ortleb, 1990 *Hair* Geraldine Biddle-Perry, Sarah Cheang, 2008-12 *Hair* explores the social importance of hair wherever it grows, explaining the cultural significance of hair and hairiness and presenting a critical engagement with hair and its stories, histories, performances, and rituals. **Art for People's Sake** Rebecca Zorach, 2019-03-28 In the 1960s and early 1970s, Chicago witnessed a remarkable flourishing of visual arts associated with the Black Arts Movement. From the painting of murals as a way to reclaim public space and the establishment of independent community art centers to the work of the AFRICOBRA collective and Black filmmakers, artists on Chicago's South and West Sides built a vision of art as service to the people. In *Art for People's Sake*, Rebecca Zorach traces the little-told story of the visual arts of the Black Arts Movement in Chicago, showing how artistic innovations responded to decades of racist urban planning that left Black neighborhoods sites of economic depression, infrastructural decay, and violence. Working with community leaders, children, activists, gang members, and everyday people, artists developed a way of using art to help empower and represent themselves. Showcasing the depth and sophistication of the visual arts in Chicago at this time, Zorach demonstrates the crucial role of aesthetics and artistic practice in the mobilization of Black radical politics during the Black

Power era *What Makes a Man?* Rashid al-Daif, Joachim Helfer, 2015-01-15 In 2003 Lebanese writer Rashid al Daif spent several weeks in Germany as part of the West East Divan program a cultural exchange effort meant to improve mutual awareness of German and Middle Eastern cultures He was paired with German author Joachim Helfer who then returned the visit to al Daif in Lebanon Following their time together al Daif published in Arabic a literary reportage of his encounter with Helfer in which he focuses on the German writer s homosexuality His frank observations have been variously read as trenchant naïve or offensive In response Helfer provided an equally frank point by point riposte to al Daif s text Together these writers offer a rare exploration of attitudes toward sex love and gender across cultural lines By stretching the limits of both fiction and essay they highlight the importance of literary sensitivity in understanding the Other Rashid al Daif s novelized biography and Joachim Helfer s commentary appear for the first time in English translation in *What Makes a Man Sex Talk* in Beirut and Berlin Also included in this volume are essays by specialists in Arabic and German literature that shed light on the discourse around sex between these two authors from different cultural contexts *Reeling in the Years* Tim Bergling, 2004 *Reeling in the Years* illustrates the wide range of emotions at work in younger older gay male relationships from fear and loathing to love and happiness Beneath the bitchy asides passionate relationships rock solid friendships and hateful distrust men struggle to answer the question Can older gay men really be friends with younger gay men In their own words hundreds of men discuss what it s like to be 16 28 40 or 70 examining myth and reality about age and aging from different attitudes and perspectives Jacket Medical Humanities Thomas R. Cole, Nathan S. Carlin, Ronald A.
