Handbook Of Indigenous Peoples Rights Routledge International Handbooks:

Handbook of Indigenous Peoples' Rights Corinne Lennox,Damien Short,2016-02-05 This handbook will be a comprehensive interdisciplinary overview of indigenous peoples rights Chapters by experts in the field will examine legal philosophical sociological and political issues addressing a wide range of themes at the heart of debates on the rights of indigenous peoples The book will address not only the major questions such as who are indigenous peoples What is distinctive about their rights How are their rights constructed and protected What is the relationship between national indigenous rights regimes and international norms but also themes such as culture identity genocide globalization and development rights institutionalization and the environment

The Routledge Handbook of Tourism and Indigenous Peoples Richard Butler,Anna Carr,2024-08-30 The Routledge Handbook of Tourism and Indigenous Peoples presents an up to date critical and comprehensive overview of established and emerging themes around Indigeneity and connections between Indigenous peoples and tourism development Offering socio cultural perspectives and multidisciplinary insights from leading Indigenous and non Indigenous scholars and tourism practitioners the book explores contemporary issues challenges and trends Organised into six sections the handbook explores Indigenous community involvement in tourism Indigenous entrepreneurship and innovation Indigenous tourism policies and politics and the complexities of colonialism and decolonisation issues This text focuses on the active role that Indigenous peoples have in the industry and uses international case studies and experiences to explore the global context of Indigenous tourism This handbook fills a notable gap by offering a critical and detailed understanding of the role of Indigenous practitioners and societies in tourism and how they interact within the tourism nexus It will be of interest to scholars students tourism practitioners and policymakers working in tourism development studies anthropology human geography and sociology

Routledge Handbook of Indigenous Peoples in the Arctic Timo Koivurova,Else Grete Broderstad,Dorothée Cambou,Dalee Dorrough,Florian Stammler,2020-12-03 This handbook brings together the expertise of Indigenous and non Indigenous scholars to offer a comprehensive overview of issues surrounding the well being self determination and sustainability of Indigenous peoples in the Arctic Offering multidisciplinary insights from leading figures this handbook highlights Indigenous challenges approaches and solutions to pressing issues in Arctic regions such as a warming climate and the loss of biodiversity It furthers our understanding of the Arctic experience by analyzing how people not only survive but thrive in the planet s harshest climate through their innovation ingenuity and agency to tackle rapidly changing environments and evolving political social economic and cultural conditions The book is structured into three distinct parts that cover key topics in recent and future research with Indigenous Peoples in the Arctic The first part examines the diversity of Indigenous peoples and their cultural expressions in the different Arctic states It also focuses on the well being of Indigenous peoples in the Arctic regions The second part relates to the identities and livelihoods that Indigenous peoples in Arctic regions derive from

the resources in their environments This interconnection between resources and people s identities underscores their entitlements to use their lands and resources The third and final part provides insights into the political involvement of Indigenous peoples from local all the way to the international level and their right to self determination and some of the recent related topics in this field This book offers a novel contribution to Arctic studies empowering Indigenous research for the future and rebuilding the image of Indigenous peoples as proactive participants signaling their pivotal role in the co production of knowledge It will appeal to scholars and students of law political sciences geography anthropology Arctic studies and environmental studies as well as policy makers and professionals

Indigenous Peoples, Natural Resources and Permanent Sovereignty Andrea Mensi, 2022-12-19 Indigenous Peoples Natural Resources and Permanent Sovereignty explores the possibility to conceive a permanent sovereignty over natural resources vested in indigenous peoples rather than in States The author examines the conceptualisation and content under customary international law of indigenous rights with respect to natural resources including the impact of the adoption of the United Nations Declaration on the Rights of Indigenous Peoples in 2007 The book provides a deep and updated analysis on international customs international and regional conventions and the jurisprudence of regional courts concerning indigenous rights to natural resources including the most recent developments in domestic jurisprudence and legislation

Small Island States & International Law Carolin König, 2022-12-30 What happens under international law if a state perishes due to rising sea levels without a successor state being created Will the state cease to exist What would this mean for its population Have international law and globalization progressed enough to protect the people thus affected or does international law still depend on the territorial state when it comes to protecting entire populations Exploring these issues this book provides answers to these pressing questions Focusing on small island states as actors in the international community it evaluates the challenges that the state as a subject of international law faces in general from globalization and humanization and what this means for small island states threatened by rising seas Highlighting the experience of the indigenous peoples of small island states as collectives and to the individuals living in these states the book addresses fundamental questions of general state theory and international law drawing on an extensive body of source material As rising sea levels present an increasingly pressing threat to small island states this book highlights the importance of international protection of the individual and the capacity of international organizations to act within existing international law It identifies pressing problems where immediate action is required and argues that in future the responsibility for protecting individuals could shift to the international community if a sinking island state can no longer protect its population on its own

Indigenous Peoples and Colonialism Colin Samson, Carlos Gigoux, 2016-12-16 Indigenous peoples have gained increasing international visibility in their fight against longstanding colonial occupation by nation states Although living in different locations around the world and practising highly varied ways of life indigenous peoples nonetheless are affected by similar patterns of colonial dispossession and

violence In defending their collective rights to self determination culture lands and resources their resistance and creativity offer a pause for critical reflection on the importance of maintaining indigenous distinctiveness against the homogenizing forces of states and corporations This timely book highlights significant colonial patterns of domination and their effects as well as responses and resistance to colonialism It brings indigenous peoples issues and voices to the forefront of sociological discussions of modernity In particular the book examines issues of identity dispossession environment rights and revitalization in relation to historical and ongoing colonialism showing that the experiences of indigenous peoples in wealthy and poor countries are often parallel and related With a strong comparative scope and interdisciplinary perspective the book is an essential introductory reading for students interested in race and ethnicity human rights development and indigenous peoples issues in an interconnected world

A New Testament Tone Bleie,2023-12-19 A NEW TESTAMENT offers a recast economic legal and social history of the strangely neglected enduring and power laden relationship between a Scandinavian Transatlantic mission and the Santals Boro and Bengalis of East India Northern Bangladesh and Eastern Nepal Bleie s kaleidoscopic portraits transport readers back to the medieval period and Danish and British Company Rule The British Raj and the early post Independence period remain her principal framing however This customized text enables readers to navigate and selectively immerse themselves in theoretical and descriptive chapters brimming with immersive storytelling The volume is relevant for university curricula in international history Scandinavian and Norwegian transnational history Santal ethnohistory the history of religion the sociology of religion mission history intercultural history of Christianity museum studies subaltern and postcolonial studies comparative international law peace and development studies social anthropology history of aid tribal studies women s studies and the study of indigenous oral and textual history

Dictionary of Public International Law Curtis F.J. Doebbler,2018-03-19 Significant use has been made of the jurisprudence of the International Court of Justice because it is the principle judicial organ of the world s most universal international organization the United Nations Moreover article 103 of the Charter of the United Nations makes the obligations in this treaty superior any other treaty obligations into which States may enter The Dictionary of Public International Law contains a chronology an introduction glossary of Foreign Terms tables of Treaties and Cases an extensive bibliography and an index The dictionary section has over 400 cross referenced entries on significant persons important treaties and conventions organizations and tribunals and important cases and issues they have dealt with This book is an excellent resource for students researchers and anyone wanting to know more about international law

The SAGE Handbook of Globalization Manfred Steger,Paul Battersby,Joseph Siracusa,2014-05-22 Global studies is a fresh and dynamic discipline area that promises to reinvigorate undergraduate and postgraduate education in the social sciences and humanities In the Australian context the interdisciplinary pedagogy that defines global studies is gaining wider acceptance as a coherent and necessary approach to the study of global change Through the Global Studies Consortium GSC this new

discipline is forming around an impressive body of international scholars who define their expertise in global terms. The GSC paves the way for the expansion of global studies programs internationally and for the development of teaching and research collaboration on a global scale. Mark Juergensmeyer and Helmut Anheier's forthcoming *Encyclopaedia of Global Studies* with SAGE is evidence of this growing international collaboration while the work of Professor Manfred Steger exemplifies the flourishing academic literature on globalization. RMIT University's Global Cities Institute represents a substantial institutional investment in interdisciplinary research into the social and environmental implications of globalization in which it leads the way internationally. Given these developments the time is right for a book series that draws together diverse scholarship in global studies. This Handbook allows for extended treatment of critical issues that are of major interest to researchers and students in this emerging field. The topics covered speak to an interdisciplinary approach to the study of global issues that reaches well beyond the confines of international relations and political science to encompass sociology, anthropology, history, media and cultural studies, economics and governance, environmental sustainability, international law and criminal justice. Specially commissioned chapters explore diverse subjects from a global vantage point and all deliberately cohere around core global concerns of narrative, praxis, space and place. This integrated approach sets the Handbook apart from its competitors and distinguishes Global Studies as the most equipped academic discipline with which to address the scope and pace of global change in the 21st century.

Handbook of Tourism Entrepreneurship Rob Hallak, Craig Lee, 2024-05-02. The *Handbook of Tourism Entrepreneurship* outlines the foundations of success in the tourism sector, examining the ways in which small and medium-sized enterprises (SMEs) can become economic engines for tourism destinations by boosting regional growth and prosperity.

The Routledge Handbook of Indigenous Development Katharina Ruckstuhl, Irma A. Velásquez Nimatuj, John-Andrew McNeish, Nancy Postero, 2022-11-30. This Handbook inverts the lens on development, asking what Indigenous communities across the globe hope and build for themselves. In contrast to earlier writing on development, this volume focuses on Indigenous peoples as inspiring theorists and potent political actors who resist the ongoing destruction of their livelihoods. To foster their own visions of development, they look from the present back to Indigenous pasts and forward to Indigenous futures. Key questions: How do Indigenous theories of justice, sovereignty and relations between humans and non-humans inform their understandings of development? How have Indigenous people used Rights of Nature, legal pluralism and global governance systems to push for their visions? How do Indigenous relations with the Earth inform their struggles against natural resource extraction? How have native peoples negotiated the dangers and benefits of capitalism to foster their own life projects? How do Indigenous peoples in diaspora and in cities around the world contribute to Indigenous futures? How can Indigenous intellectuals, artists and scientists control their intellectual property and knowledge systems and bring into being meaningful collective life projects? The book is intended for Indigenous and non-Indigenous activists, communities, scholars and students. It provides a guide to current thinking across the disciplines that

converge in the study of development including geography anthropology environmental studies development studies political science and Indigenous studies The Interdependence of the Convention on the Rights of the Child Naomi Lott,2025-07-01

The book critically engages with the right to play and other Convention rights to explore their interdependence and interconnectivity The book brings together experts across various children s rights topics and invites them to consider the intersections of their work with the child s right to play It furthers the understanding and implementation of the right to play as this novel area of research develops The book demonstrates both the interdependence of the rights within the Convention and the unique and critical role of the right to play in achieving the aims of the Convention and the rights therein It also extends the theoretical methodological and critical scope of the discipline by considering children s rights in this interdependent manner The contributions to this edited collection explore the role of the right to play in meeting obligations pertaining to the digital environment identity rights education climate change and environmental health refugees girls rights social protection healthcare and disability and vice versa By drawing together original and creative approaches to a number of pressing social questions and issues relating to human rights this book has tangible application for developing both the content of the right to play and the potentials of this right for the wider child rights project Furthermore this book is pioneering in the field of children s rights in two key ways Not only does it serve to contribute to filling a significant gap in the literature on the right to play but it also stands as a crucial example of interdisciplinary legal research Such an approach is critical for the field of children s rights due to the nature of childhood and the multidisciplinary relevance of children s rights and children s issues This book thus serves as an example to push the field to be more contextual and interdisciplinary

Lawful Conquest? Constanze Weiske,2021-10-04 The global expansion of European colonization is commonly perceived as lawful according to the valid European colonial law of the time This book is substantially challenging this belief by uncovering its legal justifications based on discovery and terra nullius as retrospectively created legal fictions and demonstrating it s untenability in practice Focused on the critical reconstruction of Spanish and Dutch colonization practices in northeastern South America Trinidad and Tobago between 1498 and 1817 the book offers an illuminating view on the European shadow of the colonial past in the Americas Based on the application of an innovative comparative spatio legal Global History approach to 1 770 excavated European colonial written sources from archives of both sides of the Atlantic in comparison to the colonial legal provisions of Europe s most influential legal writers the book moreover provides a substantial argument to the contemporary Caribbean European reparation debate in favor of the return of Indigenous Peoples historical territories Therefore the book calls for the extension of the traditional territory approach to reparations of the United Nations Declaration of the Rights of Indigenous Peoples UNDRIPs and the Inter American Court of Human Rights IACHR **Narratives of Mass Atrocity** Sarah Federman,Ronald Niezen,2022-09-08 Individuals can assume and be assigned multiple roles throughout a conflict perpetrators can be victims and vice versa heroes can be reassessed as

complicit and compromised However accepting this more accurate representation of the narrativized identities of violence presents a conundrum for accountability and justice mechanisms premised on clear roles This book considers these complex sometimes overlapping roles as people respond to mass violence in various contexts from international tribunals to NGO based social movements Bringing the literature on perpetration in conversation with the more recent field of victim studies it suggests a new more effective and reflexive approach to engagement in post conflict contexts Long term positive peace requires understanding the narrative dynamics within and between groups demonstrating that the blurring of victim perpetrator boundaries and acknowledging their overlapping roles is a crucial part of peacebuilding processes This title is also available as Open Access on Cambridge Core

An Interdisciplinary Journey from Non-Discrimination to Collective Rights Jessika Eichler, 2024-04-22 This book develops a critique of the equality paradigms and principles to be found in the majority of today's legal orders It accompanies the reader taking her him x from a critique of non discrimination and equality to the opposite end of the spectrum that is to collective rights collectivization processes and a manifestation of recognition that is based on difference This interdisciplinary theoretical journey explores a multiplicity of legal orders in terms of how they provide spaces of articulation for difference The book draws emblematically on the rights of indigenous peoples as well as recognized and unrecognized cultural ethnic linguistic and religious minorities The book thereby builds on legal and political theory which ultimately proves essential given the dedicated objective of the book that is to introduce a variety of recognition principles and what the author terms scales of collectivization which facilitate a better understanding of collective rights and further ways to capture define and ultimately measure these rights

Decolonizing the Criminal Question Ana J. Aliverti, Ana Aliverti, Henrique Carvalho, Anastasia Chamberlen, Máximo Sozzo, 2023 This volume explores the uneasy relationship between crime crime control and colonialism foregrounding the relevance of the legacies of this relationship to criminological enquiries It invites and pursues a better understanding of the links between imperialism and colonialism on the one hand and nationalism and globalisation on the other

Abolition in Social Work and Human Services Ian Kelvin Hyslop, Bob Pease, 2025-09-11 The first to apply abolitionist theory from international perspectives to social work this book explores whether social work has a future as a profession that challenges the perpetuation of unjust social structures It questions whether it is possible for social work to become radical while it is located within the state

Foreign Investment, Human Rights and Environmental Protection Shawkat Alam, Abdullah Al Faruque, 2024-11-22 This book examines the integration of human rights and environmental standards within international investment agreements IIAs It explores the intricate relationship between foreign direct investment and sustainable development emphasizing the necessity for reform in investment treaties to ensure they support rather than hinder human rights and environmental protection The book begins with an overview of the current international investment law landscape focusing on its primary goal of investment protection It then delves into how human rights and environmental standards can shape IIAs suggesting a new approach to these

treaties The authors explore the incorporation of sustainable development principles into IIAs the difficulty of balancing investor protection with state regulatory autonomy and the evolving norms and standards in this area The book includes detailed case studies on topics such as the interplay between labour standards investment and human rights bilateral investment agreements sustainable forest management and the liberalization of water services Aimed at policymakers legal scholars and international law practitioners this book provides a thorough framework for understanding and reforming IIAs It offers groundbreaking insights into aligning investment treaties with global sustainable development goals making it a vital resource for anyone interested in the intersection of investment human rights and environmental sustainability

The Human Rights Imperative in Teacher Education Gloria T. Alter, William R. Fernekes, 2022-10-05 Human rights education HRE is a worldwide movement designed to place human rights at the center of K university educational theory and practice providing a critical foundation for global citizenship education social justice and diversity education and equity based schooling reforms Readers will learn how 1 HRE content supports core values of U S education including those focused on liberty justice and social equality for all educators and students 2 HRE concepts and illustrative learning strategies support inclusive education and promote peace tolerance and cross cultural understanding and 3 the theoretical foundations of HRE are compatible with recognized teacher preparation standards and program goals Pre service educators seeking teaching licenses and practicing classroom educators desiring to expand their focus into human rights education will find this book very helpful as will professors teaching methods courses and courses dealing with social justice multicultural education and diversity in education The book blends theory and practice to help educators make human rights education a central focus of their daily practice providing sample HRE units concerning the rights of global migrants Indigenous peoples and LGBTQ communities Readers will not only apply what they learn but also become part of a non partisan movement supporting human rights across the globe

The Oxford Handbook of Comparative Environmental Politics Jeannie Lynn Sowers, Stacy D. VanDeveer, Erika Weinthal, 2023 Including 42 chapters organized across 9 sections The Oxford Handbook of Comparative Environmental Politics explores some of the most important environmental issues through the lens of comparative politics including energy climate change food health urbanization waste and sustainability The chapters delve into more traditional forms of comparative environmental politics CEP the political economy of natural resources and the role of corporations and supply chains while also showcasing new trends in CEP scholarship particularly the comparative study of environmental injustice and intersectional inequities The Handbook highlights scholarship from a broader range of regions and includes approaches from political science anthropology sociology geography gender theory law human rights and development studies

Handbook Of Indigenous Peoples Rights Routledge International Handbooks Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Handbook Of Indigenous Peoples Rights Routledge International Handbooks free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Handbook Of Indigenous Peoples Rights Routledge International Handbooks free PDF files of magazines, brochures, and catalogs, Issuu is a popular

choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Handbook Of Indigenous Peoples Rights Routledge International Handbooks free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Handbook Of Indigenous Peoples Rights Routledge International Handbooks. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Handbook Of Indigenous Peoples Rights Routledge International Handbooks any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Handbook Of Indigenous Peoples Rights Routledge International Handbooks Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility.
