Preaching Your Way Out of a Mess Johnny Teague,2019-03-22 Every day a pastor faces armies of despair fatigue exhaustion and frustration That blessed hope of a Spurgeon church has morphed into a Paul prison Every time he looks up there is another attack First errors are found then sin doctrinal arguing leads to internal strife The army of the nation s culture surrounds for the kill The pastor places his baptism handkerchief on a broom handle and crawls out to surrender Just then he looks to the horizon to see a glorious alliance of sixty six armies The enemy turns in fear many ride away while others engage only to be routed The preacher had forgotten that there are more with us than against us No matter the mess God is with us He has given his Spirit to move among us and he has given us his word to defeat every attack Grab this handbook and be encouraged you can preach your way out of every mess

Handbook of Preaching Resources from English Literature James Douglas Robertson,1972

From Pew to Pulpit Clifton F. Guthrie,2010-11-01 A down to earth practical introduction to the ins and outs of preaching for lay preachers bivocational pastors and others newly arrived in the pulpit Recent years have seen a considerable increase in the amount of financial resources required to support a full time pastor in the local congregation In addition large numbers of full time seminary trained clergy are retiring without commensurate numbers of new clergy able to take their place As a result of these trends a large number of lay preachers and

bivocational pastors have assumed the principal responsibility for filling the pulpit week by week in local churches Most of these individuals observes Clifton Guthrie can draw on a wealth of life experiences as well as strong intuitive skills in knowing what makes a good sermon having listened to them much of their lives What they often don't bring to the pulpit however is specific detailed instruction in the how tos of preaching That is precisely what this brief practical guide to preaching has to offer Written with the needs of those for whom preaching is not their sole or primary occupation in mind it begins by emphasizing what every preacher brings to the pulpit an idea of what makes a sermon particularly moving or memorable to them From there the book moves into short chapters on choosing an appropriate biblical text or sermon topic learning how to listen to one's first impressions of what a text means moving from text or topic to the sermon itself while keeping the listeners needs firmly in mind making thorough and engaging use of stories in the sermon and delivering with passion and conviction The book concludes with helpful suggestions for resources including Bibles commentaries other print resources and websites
