Seminar paper from the year 2006 in the subject American Studies Literature grade 1 3 University of Duisburg Essen
language English abstract The main aim of children's literature is to be readable for young people to be amusing exciting to have a good story and to make readers enjoy it Some books do not only fulfill this aim but also have a message Young children should learn something important by reading those books Those books are relevant for children's literature because the children enjoy learning when the story is good and interesting But what makes a book a relevant book Is it only the message only the story the characters or all of those This essay will show if Jerry Spinelli's books Stargirl Loser and Winger do have a relevance in children's literature and why by characterizing the protagonists and by finding out what Spinelli's messages are Those three books have been chosen because the protagonists are outsiders and therefore the books are of comparable topics
