Lost Books of the Bible: The Rejected Texts, Apocrypha and Pseudepigrapha Dr. Edward Hammond, 2011-12-17 This huge book of eighteen of the Lost Books of the Bible contains the following NONE of which are Public Domain translations beware of imitations The First Book of Adam and Eve The Second Book of Adam and Eve The Slavonic Life of Adam and Eve The First Book of Enoch The Book of Jubilees The Book of Jasher The Story of Ahikar The Apocalypse of Abraham The Apocalypse of Thomas 4 Ezra 2 Baruch The War Scroll The Sons of Dark Against the Sons of Light The Gospel of Philip The Gospel of Mary Magdalene The Apocryphon of John The Secret Book of John The Gospel of Thomas The Gospel of Judas Acts 29 The massive 684 page book does not attempt to explain why the books were not included in the Bible To attempt to do so would not only be cursory given the lack of space but more importantly would be most unfair to readers as this is matter for specialist academics and they have written books on the subject Note Translators use the symbols to signify a missing word in an ancient text In this book there are symbols such as this to designate missing words of ancient texts The Story of Human Spiritual Evolution Richard Ferguson, 2012-10 This book is one of a kind It traces the history of human awareness of God and belief back to its earliest roots long before the Bible the Koran the Upanishads and other writings It shows how the foundation for belief in God was contained within the instant of creation itself Scientists call this the big bang It shows that as the universe developed there came a point in human development where we had the capability to begin to be aware of an

[Answers for the Honest Skeptic](#) Ted Even,2021-07-01 It is true that mankind himself has probably always been characterized with the main desire to determine just what spiritual truth really is For centuries and centuries highly educated philosophers and religious men alike have always stood toe to toe disagreeing on spiritual truth Since they cannot all be right this would strongly indicate that education religious persuasion or even intelligence has little to do with our discovery of the real spiritual truth For if these things were truly critical then obviously

the spiritual intellectual giants of history would have agreed on spiritual truth long ago In this work author Ted Even endeavors to show that the disagreeing intellectuals skeptics of the past only serve to reinforce Christ s radical statement about our need to just become like little children in order to discover the spiritual truth and that literally everyone has the same opportunity to enter the kingdom of heaven on that basis However while super intelligence or big degrees may not be necessary the discovery of spiritual truth does require just one very reasonable quality of heart which little children have always possessed Find out just what this basic quality of heart is as you continue your search for spiritual truth within this simple to understand work which only leaves the real spiritual truth left standing
