Blake's 'Jerusalem' As Visionary Theatre Susanne M. Sklar,2011-10-20 Susanne Sklar engages with the interpretive challenges of William Blake's illuminated epic poem Jerusalem by considering it as a piece of visionary theatre an imaginative performance in which characters settings and imagery are not confined by mundane space and time allowing readers to find coherence within its complexities

American Book Publishing Record,1998

American Historical Fiction Lynda G. Adamson,1998-10-21 This publication will fill a gap in the bibliographic reference shelf by identifying historical novels for both adult and young adult readers I American Historical Fiction R contains over 3 000 titles set in states and historical regions of the United States Entries are organized by time period The newest titles as well as old favorites are covered The volume is indexed by author title genre subject and geographic setting

The Readers' Advisory Guide to Historical Fiction Jennifer S. Baker,2015 Whether set in ancient Egypt Feudal Japan the Victorian Age or Civil War era America historical fiction places readers squarely at the center of fascinating times and places making it one of the most popular genres in contemporary publishing The definitive resource for librarians and other book professionals this guide Provides an overview of historical fiction's roots highlighting foundational classics and explores the genre in terms of its scope and style Covers the latest and most popular authors and titles Discusses appeal characteristics and shows how librarians can use a reader's favorite qualities to make suggestions Includes lists of recommendations with a compendium of print and web based resources Offers marketing tips for getting the word out to readers Emphasizing an appreciation of historical fiction in its many forms and focusing on what fans enjoy this guide provides a fresh take on a durable genre

World War II and the Postwar Years in America William H. Young,Nancy K. Young,2010-09-17 More than 150 articles provide a revealing look at one of the most tempestuous decades in recent American history describing the everyday activities of Americans as they dealt first with war and then a difficult transition to peace and prosperity The two volume World War II and the Postwar Years in America A Historical and Cultural Encyclopedia contains over 175 articles describing everyday life on the American home front during World War II and the immediate postwar years Unlike publications about this period that focus mainly on the big picture of the war and subsequent economic conditions this encyclopedia drills down to the popular culture of the 1940s bringing the details of the lives of ordinary men women and children alive The work covers a broad range of everyday activities throughout the 1940s including movies radio programming music the birth of commercial television advertising art bestsellers and other equally intriguing topics The decade was divided almost evenly between war 1940 1945 and peace 1946 1950 and the articles point up the continuities and differences between these two periods Filled with evocative photographs this unique encyclopedia will serve as an excellent resource for those seeking an overview of life in the United States during a decade that helped shape the modern world

William Blake's Religious Vision Jennifer Jesse,2013-02-14 In this innovative study Jesse challenges the prevailing view of Blake as an antinomian and

describes him as a theological moderate who defended an evangelical faith akin to the Methodism of John Wesley She arrives at this conclusion by contextualizing Blake s works not only within Methodism but in relation to other religious groups he addressed in his art including the Established Church deism and radical religions Further she analyzes his works by sorting out the theological road signs he directed to each audience This approach reveals Blake engaging each faction through its most prized beliefs manipulating its own doctrines through visual and verbal guide posts designed to communicate specifically with that group She argues that once we collate Blake s messages to his intended audiences sounding radical to the conservatives and conservative to the radicals we find him advocating a system that would have been recognized by his contemporaries as Wesleyan in orientation This thesis also relies on an accurate understanding of eighteenth century Methodism Jesse underscores the empirical rationalism pervading Wesley s theology highlighting differences between Methodism as practiced and as publicly caricatured Undergirding this project is Jesse s call for more rigorous attention to the dramatic character of Blake s works She notes that scholars still typically use phrases like Blake says or Blake believes followed by some claim made by a Blakean character without negotiating the complex narrative dynamics that might enable us to understand the rhetorical purposes of that statement as heard by Blake s respective audiences Jesse maintains we must expect to find reflections in Blake s works of all the theologies he engaged The question is what was he doing with them and why In order to divine what Blake meant to communicate we must explore how those he targeted would have perceived his arguments Jesse concludes that by analyzing the dramatic character of Blake s works theologically through this wide angled audience oriented approach we see him orchestrating a grand rapprochement of the extreme theologies of his day into a unified vision that integrates faith and reason American Book Publishing Record Cumulative, 1950-1977: Fiction. Juvenile fiction R.R. Bowker Company. Department of Bibliography,1978

The Complete Index to Literary Sources in Film Alan Goble,2011-09-08 No detailed description available for The Complete Index to Literary Sources in Film *The British Film Catalogue* Denis Gifford,2018-10-24 The standard work on its subject this resource includes every traceable British entertainment film from the inception of the silent cinema to the present day Now this new edition includes a wholly original second volume devoted to non fiction and documentary film an area in which the British film industry has particularly excelled All entries throughout this third edition have been revised and coverage has been extended through 1994 Together these two volumes provide a unique authoritative source of information for historians archivists librarians and film scholars

American Silent Horror, Science Fiction and Fantasy Feature Films, 1913-1929 John T. Soister,Henry Nicolella,Steve Joyce,2014-01-10 During the Silent Era when most films dealt with dramatic or comedic takes on the boy meets girl boy loses girl theme other motion pictures dared to tackle such topics as rejuvenation revivication mesmerism the supernatural and the grotesque A Daughter of the Gods 1916 The Phantom of the Opera 1925 The Magician 1926 and Seven Footprints to Satan 1929 were among the unusual and startling films containing story elements that went far beyond the

realm of highly unlikely Using surviving documentation and their combined expertise the authors catalog and discuss these departures from the norm in this encyclopedic guide to American horror science fiction and fantasy in the years from 1913 through 1929 *The Encyclopedia of Fantastic Film* R. G. Young,2000-04 Thirty five years in the making and destined to be the last word in fanta film references This incredible 1 017 page resource provides vital credits on over 9 000 films 1896 1999 of horror fantasy mystery science fiction heavy melodrama and film noir Comprehensive cast lists include directors writers cinematographers and composers Also includes plot synopses critiques re title translation information running times photographs and several cross referenced indexes by artist year song etc Paperback **The Publishers Weekly** ,1929

Incredible Deception Gene Ligotti,2014-12-30 Identical twins the idea alone stirs unique thoughts of something special because identical twins are exceptional in this complicated world of ours Originally designated to be one person the original cell split and two separate but identical human beings were the result Identical in appearance but are they identical in their mind heart and soul Certainly nature vs nurturing comes into play but really deep down how alike are they Although the initial setting for this story is the Catskill Mountains in New York Ligotti takes you to the big cities of New York City New Orleans and Houston and then on to an Afghanistan war zone before returning you where it all started a horse farm in the Catskill Mountains This story is about identical twins who part company in their late teens and live separate and different lives Will the way they live change the way they think and act or was it predetermined by genetics How far apart from their oneness will they be taken Incredible Deception will guide you through each of their separate lives and then bring them together in a spell binding and dramatic conclusion where one twin forces himself to return to the home he hated and to a woman his wife that he doesn't know It's a must read for those who love a love story and readers of suspense thrillers

Ornamental Nationalism Seonaid Valiant,2017-09-25 In Ornamental Nationalism Archaeology and Antiquities in Mexico 1876 1911 Seonaid Valiant examines the Porfirian government's reworking of indigenous particularly Aztec images to create national symbols She focuses in particular on the career of Mexico's first national archaeologist Inspector General Leopoldo Batres He was a controversial figure who was accused of selling artifacts and damaging sites through professional incompetence by his enemies but who also played a crucial role in establishing Mexican control over the nation's archaeological heritage Exploring debates between Batres and his rivals such as the anthropologists Zelia Nuttall and Marshall Saville Valiant reveals how Porfirian politicians reinscribed the political meaning of artifacts while social scientists both domestic and international struggled to establish standards for Mexican archaeology that would undermine such endeavors **The Artistry and Legacy of Queen** Tony Rigg,Ewa Mazierska,2024-12-12 Over a career spanning six decades Queen have become one of the most successful music artists in the history of the recorded music industry Their consumption on digital platforms towers above other classic bands and artists of their generation and even many contemporary artists attesting to the substantial and transgenerational appeal of Queen This collection offers insights into

the Queen phenomenon through considering their artistry influences sound singing style use of instruments and technology composition live performance as well as their impact on other music makers and fandom Bringing together academics from a range of disciplines in music studies including musicology composition performance as well as specialists in film and media studies sociology queer studies and business studies the book examines the many dimensions of Queen and lessons we can learn from them to inform future practice in popular music
