### **Lost Park Survival Inspired Daniel:**

*Lost in the Park* Shinah Oroge, 2015-11-26 Richard is a very brave nine year old boy who loves the wilderness. He wishes to be like his hero Daniel Boone the famous American explorer. During a camping trip with his whole family Richard and his little brother Bernard have a much unexpected experience that was exciting and scary at the same time. Getting lost in the forest is thrilling but frightening as well. Does Richard remember all the things he learned from the life and adventures of Daniel Boone to keep them safe in the forest all by themselves? There are so many things in the forest that are very beautiful but also very dangerous. The blueberries sold in grocery stores is not the same as a blue berry found in the forest. Although nights in the forest are lovely to behold with a million stars in the sky it can be deathly cold without shelter or protection. Does Richard know how to keep safe especially with his little brother there? Can he take care of both of them? What are the important things to bring to a camping trip to make sure that Richard is ready for all the possibilities that living in the wild can bring? This story is about courage responsibility and all the unexpected twists that life can bring even with a simple thing like a camping trip. It teaches that reading a book or watching a television show is very different from experiencing the real thing. There is also a lesson about being brave to face your fears even against the greatest of odds. Being smart resourceful and keeping a level head can mean the difference between being safe and being in danger especially in an unfamiliar place like a big forest. Join Richard and Bernard as they explore and experience the fascinating world of the great big wilderness.

**The Sephardic Jews of Spain and Portugal** Dolores Sloan, 2015-03-26 Prior to 1492 Jews had flourished on the Iberian Peninsula for hundreds of years. Marked by alternating cooperative coexistence and selective persecution alongside Christians and Muslims this remarkable period was a golden age for Iberian Jews with significant and culturally diverse advances in sciences arts and government. This work traces the history of the Sephardic Jews from their golden age to their post Columbian diaspora. It highlights achievements in science medicine philosophy arts economy and government alongside a few less noble accomplishments in both the land they left behind and in the lands they settled later. Several significant Sephardic Jews are profiled in detail and later chapters explore the increasing restrictions on Jews prior to expulsion the divergent fates of two diaspora communities in Brazil and the Ottoman Empire and the enduring legacy of Sephardic history.

**After Roe** Mary Ziegler, 2015-06-08 In the decade after the 1973 Supreme Court decision on abortion advocates on both sides sought common ground. But as pro abortion and anti abortion positions hardened over time into pro choice and pro life the myth was born that Roe v Wade was a ruling on a woman's right to choose. Mary Ziegler's account offers a corrective.
