Lost Millions Sins Past:

Are You Going to Heaven? George Lappe,2010-06-29 In simple easy to understand everyday language this book contains a collection of letters articles and testimonies that the author has written over the past twenty five years to relatives friends and acquaintances It has told them in various ways what God says in His Holy Word the Bible about what a person must do in order to know beyond the shadow of a doubt that whenever they leave this world they will definitely go to heaven It answers the last question Where will you spend eternity You can know for sure *Of Sin and Blot* Dorothy Lee,2005-03 Louise is the central character in *Of Sin and Blot* A small town girl from a poor family Louise makes good again and again mostly through marriage For one reason or another her husbands don't last long Lou is a good husband who may not be what he appears to be Her second husband Jonathon is a fun guy who is less holy than his reputation Bill is a decent man who receives one more punch than he can roll with Over the years Louise retains a group of friends and relatives who support her help her and hurt her Together they seem doomed to destroy one another Of the cast three end up dead one a result of murder No one in this book is very good but Louise may be the best of the bunch The eternal optimist she's always sure she'll land on her feet Most of the time she does The author who has only written gentle books about good people kicks over the traces this time This is a shades of gray book which will keep the reader wondering who is good and who is bad or who is bad and who is worse

A Maid and a Million Men James Gerald Dunton,1928 Leona changes places with her twin brother so that he could get away from camp to visit his fiancée Unexpected sailing orders however send Leona to the trenches of France **What Is a Disciple and How Do You Make One?** Mark Swiger,2015-09 In many ways the church has become more adept at adding members than preparing true Christian disciples Author and evangelist Mark Swiger believes that bringing souls to Christ and then nurturing them to Christ like maturity requires an approach that is different from the methods often employed today Many congregations do not have a clear plan in place for seeing every believer grow to fruitfulness and spiritual maturity Adding to this problem sometimes pastors struggle with knowing how to equip others for the work of the ministry Swiger has developed a Spirit led manual for disciples and those who lead them Part I of his book is for everyone since every believer is first and foremost a disciple of Jesus Part II speaks to the particular needs of pastors and leaders who are charged

with discipling others This interactive biblically based handbook is designed to help the church rediscover the eternal disciple making truths and examples found in the Scriptures God s Word still has the power to transform ordinary believers into disciples who can turn the world upside down **Good Words for 1863** ,1863 **Gospel Outlines** Witness Lee,1980
