Diary of Corruption into the book poses to the reader a decision making process in which he decides whether the diary is proof that corruption exists or this is just the way it is and no one can change these practices The actual diaries represent twenty seven years of entries documenting the author s daily life in law enforcement The author of this book does not seek the approval of his life s path but rather poses the question What would you do if you were in his shoes Walk the walk and talk the talk or be silent because it is too costly Fairness Honesty Justice for all I hope 1 1 **In My Lifetime** Herbert Smith,2014-10-25 Herbert Smith a six foot two inch 180 pound blue eyed hunk arrived at the small Pasadena Police Department at the age of 26 Married Nettie Grace a beautiful young lady and the parents of their first child a boy they were the envy of the older officers already employed there He exploded on the scene with a perfect score on his Civil Service Test and proved his proficiency with his sidearm by becoming one of the top shooters in his academy Working the streets on patrol Herbert was always on the cutting edge of the action On more than one occasion he confronted disarmed and arrested dangerous felons who were threats to himself the citizens and his fellow officers His 28 year career saw him advance through the ranks to Captain of Police He graduated from the Institute of Applied Science studying criminal identification methods As a captain he graduated from the FBI National Academy the 93rd Session Herbert was a sidearm competitor participating in many Police pistol matches including the National Police Pistol Matches As an honorable retired police officer Herbert qualifies annually to carry a concealed handgun Herbert is very active in his church and serves as a Deacon *Catalog of Copyright Entries.
