**Bringing the Common Core Math Standards to Life** Yvelyne Germain-McCarthy, Ivan Gill, 2014-11-20

As high school math teachers shift to the Common Core State Standards, the question remains: What do the standards actually look like in the classroom? This book answers that question by taking you inside of real Common Core classrooms across the country. You'll see how exemplary teachers are meeting the new requirements and engaging students in math. Through these detailed examples of effective instruction, you will uncover how to bring the standards to life in your own classroom.

**Special Features:** A clear explanation of the big shifts happening in the classroom as a result of the Common Core State Standards. Real examples of how exemplary teachers are using engaging strategies and tasks to teach algebra, geometry, trigonometry, statistics, mathematics across the curriculum, and more. A detailed analysis of each example to help you understand why it is effective and how you can try it with your own students. Practical, ready-to-use tools you can take back to your classroom, including unit plans and classroom handouts.
