This dangerous game of cat and mouse will either lead to exposure or an explosive forbidden passion; neither of them can deny it.

Lara Adrian, New York Times Bestselling Author of the Midnight Breed series, I'm addicted to Tina Folsom's books. The Scanguards series is one of the hottest things to happen to vampire romance. If you love scorching, fast-paced reads, don't miss this thrilling series.

ABOUT THE SERIES The Scanguards Vampires series is full of fast-paced action, scorching love scenes, witty dialogue, and strong heroes and heroines. Vampire Samson Woodford lives in San Francisco and owns a security bodyguard company, Scanguards, which employs both vampires and humans. And eventually, some witches. Throw in a few immortal guardians and demons later in the series, and you'll get the drift. Each book can be read as a standalone and always centers around a new couple finding love, but the series is more enjoyable when read in order. And of course, there are always a few running jokes you'll understand when you meet Wesley, a wannabe witch.

The Strangeness of

Truth Damien Ference Ference, 2019-02-06 In an age of loneliness and distraction it can be easy to forget God's presence in our daily lives until we are confronted with everyday miracles like birth death or marriage In his new book *The Strangeness of Truth* Fr Damian Ference meditates on the way that eternal mysteries such as the Incarnation Resurrection and the Eucharist make themselves felt in the everyday using scenes from his own life to illustrate and animate doctrine Plenty of elaborate theological treatises have been written on the subjects that he addresses but his tone is conversational and direct His insights are designed to awaken and remind his readers of the radical truths that surround them that God holds our world in existence that He became a man and that He sacrificed Himself for us Fr Ference's writing is filled with wonder reverence and a keen observational sense using concrete examples and crystal clear observations to illuminate realities often spoken of as murky or abstract *The Strangeness of Truth* will spark a renewed love and appreciation for the doctrines God has revealed and help you see them with fresh eyes not as they could be but how they really are beautiful strange and timeless
