Hiding in Plain Sight Erika Denise Edwards, 2020-01-28 Winner of The Association of Black Women Historians 2020 Letitia Woods Brown Award for the best book in African American Women's History and the 2021 Western Association of Women Historians Barbara Penny Kanner Award 2021 Finalist for the Harriet Tubman Book Prize 2020 Finalist Berkshire Conference of Women Historians Book Prize Details how African descended women's societal marital and sexual decisions forever reshaped the racial makeup of Argentina Argentina promotes itself as a country of European immigrants This makes it an exception to other Latin American countries which embrace a more mixed African Indian European heritage Hiding in Plain Sight Black Women the Law and the Making of a White Argentine Republic traces the origins of what some white Argentines mischaracterize as a black disappearance by delving into the intimate lives of black women and explaining how they contributed to the making of a white Argentina Erika Denise Edwards has produced the first comprehensive study in English of the history of African descendants outside of Buenos Aires in the late colonial and early republican periods with a focus on how these women sought whiteness to better their lives and that of their children Edwards argues that attempts by black women to escape the stigma of blackness by recategorizing themselves and their descendants as white began as early as the late eighteenth century challenging scholars who assert that the black population drastically declined at the end of the nineteenth century because of the whitening or modernization process She further contends that in Cordoba Argentina women of African descent such as wives mothers daughters and concubines were instrumental in shaping their own racial reclassifications and destinies This volume makes use of a wealth of sources to relate these women's choices The sources consulted include city censuses and notarial and probate records that deal with free and enslaved African descendants criminal ecclesiastical and civil court cases marriages and baptisms records and newsletters These varied sources provide information about the day to day activities of Cordoba's society and how women of African descent lived formed relationships thrived and partook in the transformation of racial identities in Argentina

The Woman on the Windowsill Sylvia Sellers-Garcia, 2020-02-18 One of the most thoughtfully crafted works of true crime I've ever seen Molly Odintz CrimeReads senior editor On the morning of July 1 1800 a surveyor and mapmaker named Cayetano

Daz opened the window of his study in Guatemala City to find a horrific sight a pair of severed breasts Offering a meticulously researched and evocative account of the quest to find the perpetrator and understand the motives behind such a brutal act *The Woman on the Windowsill* pinpoints the last decade of the eighteenth century as a watershed moment in Guatemalan history when the nature of justice changed dramatically Sylvia Sellers Garc a reveals how this bizarre and macabre event came with an increased attention to crime that resulted in more forceful policing and reflected important policy decisions not only in Guatemala but throughout the Spanish Empire This engaging true crime story serves as a backdrop for the broader consideration of the forces shaping Guatemala City at the brink of the modern era [A global history of early modern violence](#) Erica Charters,Marie Houllemaire,Peter H. Wilson,2021-01-26 This electronic version has been made available under a Creative Commons BY NC ND open access license This is the first extensive analysis of large scale violence and the methods of its restraint in the early modern world Using examples from Asia Africa the Americas and Europe it questions the established narrative that violence was only curbed through the rise of western style nation states and civil societies Global history allows us to reframe and challenge traditional models for the history of violence and to rethink categories and units of analysis through comparisons By decentring Europe and exploring alternative patterns of violence the contributors to this volume articulate the significance of violence in narratives of state and empire building as well as in their failure and decline while also providing new means of tracing the transition from the early modern to modernity [Courtship, Marriage and Marriage Breakdown](#) Katie Barclay,Jeffrey Meek,Andrea Thomson,2019-10-28 This book explores the history of marriage and marriage like relationships across five continents from the seventeenth century to the present day Across fourteen chapters leading marriage scholars examine how the methodologies from the new history of emotions contribute to our understanding of marriage seeking to uncover not only personal feeling but also the political and social implications of emotion They highlight how marriage as an institution has been shaped not just by law and society but also by individual and community choices desires and emotional values Importantly they also emphasize how the history of non traditional and same sex relationships and their emotions have long played an important role in determining the nature of marriage as an institution and emotional union In doing so this collection allows us to rethink both the past and present of marriage destabilizing a story of a stable institution and opening it up as a site of contest debate and feeling [The Origins of Macho](#) Sonya Lipsett-Rivera,2019-06-15 Lipsett Rivera traces the genesis of the Mexican macho by looking at daily interactions between Mexican men in the seventeenth and eighteenth centuries **Passing to América** Thomas A. Abercrombie,2018-11-01 In 1803 in the colonial South American city of La Plata Do a Martina Vilvado y Balverde presented herself to church and crown officials to denounce her husband of more than four years Don Antonio Yta as a woman in disguise Forced to submit to a medical inspection that revealed a woman s body Don Antonio confessed to having been Mar a Yta but continued to assert his maleness and claimed to have a functional member that appeared he said when necessary

Passing to America is at once a historical biography and an in depth examination of the sex gender complex in an era before gender had been divorced from sex The book presents readers with the original court docket including Don Antonio's extended confession in which he tells his life story and the equally extraordinary biographical sketch offered by Felipa Ybañez of her son María both in English translation and the original Spanish Thomas A Abercrombie's analysis not only grapples with how to understand the sex gender system within the Spanish Atlantic empire at the turn of the nineteenth century but also explores what Antonio María and contemporaries can teach us about the complexities of the relationship between sex and gender today Passing to America brings to light a previously obscure case of gender transgression and puts Don Antonio's life into its social and historical context in order to explore the meaning of trans identity in Spain and its American colonies This accessible and intriguing study provides new insight into historical and contemporary gender construction that will interest students and scholars of gender studies and colonial Spanish literature and history This book is freely available in an open access edition thanks to TOME Toward an Open Monograph Ecosystem a collaboration of the Association of American Universities the Association of University Presses and the Association of Research Libraries and the generous support of New York University Learn more at the TOME website openmonographs.org
