Love of the Gladiator Lydia Pax,2015-10-06 She has to trust him to love him but not to want him Gwenn's life has been marked by fury and rebellion and she has the scars to prove it As a slave each new owner she's had has only made her fight more But when she is bought by a gladiator training school she finally finds something to fight for glory in the arena where everyday people are made immortal The gladiators at the school think her presence there is a joke That includes her trainer Lucius This cocky arena veteran has a body molded from marble and his arrogant persona lights her mind on fire Every glance from him sends wet heat through her body Their chemistry is instant and soon both ache to join each other in a battle that would tear down any bedroom But Lucius's past places a series of obstacles in their way None are more terrible than the bloody secret he holds that would destroy any hope he has for Gwenn's affection As desperate as she is to be close to him he only pushes her further away And when the truth is spilled in a thrilling violent climax Gwenn must decide between her unstoppable attraction or her desire for victory Gwenn was born a warrior But it's only in the arena that she will know if she wants the love of a gladiator

**The Ultimate Arena** Dan E. Ireland,2014-01-16 This novel is a cautionary tale of life and death in the G W Bush era Its a true story of a brave young man who believed in putting his life on the line to defend his country He saw himself as a defender He was after all an all pro defensive back for the Arizona Cardinals He gave up a multimillion dollar career and a beautiful new wife to deal with Osama bin Laden after the attacks of 9 11 Because I didn't ask for or receive permission from his family to write this book it should be considered historical fiction but anyone who has seen the outstanding documentary The Tillman Story by Amir Bar Lev will know who it is about Its a tragic story of an American gladiator sacrificed by his own government It is a story that should never be forgotten

**Heart of the Gladiator** Lydia Pax,2015-10-06 His love is rough but it cannot be tamed or denied Aeliana hates gladiators They're crude violent arrogant and will toss the skirts up of any available woman after a fight It may be her job to treat their injuries but she has no interest in being just another conquest So when the former gladiator champion Caius arrives in her life she is stricken by how immediately she falls for him He's a merciless killer in the arena not at all her type But he's also damnably handsome built like a god and turns Aeliana on like nothing she's felt before Being with a gladiator is always a bad idea Even if they're known the Empire over for the intensity of their bedchamber passions they have a lifespan about as long as a sword Aeliana's convinced that there's no way that someone who could have any woman in Rome would want to stay with her for long But his affection while rough seems completely genuine Caius's return to the arena is shrouded in mystery but the more Aeliana discovers the more she falls in love When his lifetime of violence catches up with them both Aeliana must decide whether she can afford to bare her heart to a man so effortlessly dangerous As it becomes obvious that their love shouldn't be Caius and Aeliana fight the odds like warriors in the arena Aeliana's strength will be tested again and again along with their love But it is her strength that will win the heart of a gladiator

Celibacy and On the Duty of the Ambassador offer contrasting perspectives on the wider 15th century debate about the claims of the reflective as opposed to the active life a debate that extends all the way back to Greco Roman antiquity In On Celibacy the young Barbaro is committed to a life that proudly renounces civic engagement in the name of self discovery and inner fulfilment Yet a different Barbaro asserts himself in On the Duty of the Ambassador he now presents himself as a committed public servant in a work that is ahead of its time in theorizing the nature of modern Renaissance diplomacy On a personal level these two works capture the profound dichotomy in Barbaro s life between his humanist devotion to scholarship on the one hand and on the other his call of duty to the Republic of Venice
