Love Power A Midwestern First Lady:

Love and Power Margarita Papandreou, 2015-10 The fascinating memoir of Margarita Papandreou First Lady of Greece in the 1980s Love and Power tells the story of the private woman behind the public face The book documents Margarita's rise from waitress Margaret in America to the formidable Margarita feminist campaigner and woman of style power and influence Papandreou's wit and passion leaps from the pages even as she provides insider insight into the international politics of the time An engaging behind the scenes look at the life and achievements of an exceptional woman A dynamic political activist determined to fight for a world free from prejudice and war Margarita Papandreou gave equal attention to her role as the mother of four children and the wife of a prime minister Love and Power is her first book and explores her conflict between feminist and woman love and power

The Eye of the Xenos, Letters about Greece (Durrell Studies 3) Richard Pine, Vera Konidari, 2021-05-04 The condition of Greece ever since its establishment as a sovereign state in 1830 has been the subject of intense international debate centring on its pivotal role in the Balkans This has been aggravated by Greece's economic collapse in 2010 and by the ongoing refugee crisis by environmental disasters terrorism and the Macedonian question This book's analysis and assessment of Greek social cultural and political life is trenchant up front and passionate based on the author's belief that one cannot love Greece without also mourning the fault lines in bureaucracy and the dynastic politics which have dominated it since its inception This book features a selection of the author's Letters from Greece from The Irish Times and his Eye of the Xenos from the Greek newspaper Kathimerini in its entirety in both English and a Greek translation including columns which Kathimerini refused to print due to the nature of their political commentary

The Midwestern, 1908 *The Midwestern Novel* Nancy L. Bunge, 2014-12-12 With Huckleberry Finn American fiction changed radically and shifted its setting to the middle of the country A focus on social issues replaced the philosophic and psychological explorations that dominated the work of Melville and Hawthorne Colloquial speech rather than elevated language articulated these fresh ideas while common folk rather than dramatic characters like Ahab and Hester Prynne played central roles This transformation of American literature has been largely ignored while during the 130 years since Huckleberry Finn the Midwest has continued to produce writers whose work like Twain's addresses injustice by portraying the decency of ordinary people Since the end of the 19th century Midwestern authors have dismissed the elite and celebrated those whom the power structure typically excludes children women African Americans and the lower classes Instead of wealth and power this literature values authenticity and compassion The book explores this literary tradition by examining the work of 30 Midwestern writers including F Scott Fitzgerald Willa Cather Ernest Hemingway Richard Wright Saul Bellow Toni Morrison Jonathan Franzen Jane Smiley and Louise Erdrich

Southern First Ladies Katherine A. S. Sibley, 2021-01-20 Southern First Ladies explores the ways in which geographical and cultural backgrounds molded a group of influential first ladies The contributors to this volume use the lens of Southernness to define and better understand the

cultural attributes characteristics actions and activism of seventeen first ladies from Martha Washington to Laura Bush The first ladies defined in this volume as Southern were either all born in the South specifically the former states of the Confederacy or their slaveholding neighbors like Missouri or else lived in those states for a significant portion of their adult lives women like Julia Tyler Hillary Clinton and Barbara Bush Southern climes indelibly shaped these women and in turn a number of enduring White House traditions Along with the standards of proper behavior and ceremonial customs and hospitality demanded by notions of Southern white womanhood some of which they successfully resisted or subverted early first ladies including Martha Washington Dolley Madison Julia Tyler and Sarah Polk were also shaped by racially based societal and cultural constraints typical of the eighteenth and nineteenth centuries some of which have persisted to the present day The first nine women in this volume from Martha Washington to Julia Grant all enslaved others during their lives inside or outside the White House Among the seven first ladies in the book s last section Ellen Wilson for example was profoundly influenced by the reformist ethos of the Progressive Era and set an example for activism that five of her Southern successors Lady Bird Johnson Rosalynn Carter Barbara Bush Hillary Clinton and Laura Bush all emulated By contrast Ellen s immediate successor in the White House Edith Wilson enthusiastically celebrated the Lost Cause Southern First Ladies is the first volume to comprehensively emphasize the significance of Southernness and a Southern background in the history and work of first ladies and Southernness long standing influence for the development of this position in the White House as well as outside of it

World, Class, Women Robin Truth Goodman, 2004-02-16 World Class Women begins the extraordinarily important task of bringing a postcolonial feminist voice to critical pedagogy and by extension explores how current debates about education could make a contribution to feminist thought Robin Truth Goodman deftly weaves together the disciplines of literature postcolonialism feminism and education in order to theorize how the shrinking of the public sphere and the rise of globalization influence access to learning what counts as knowledge and the possibilities of a radical feminism

Maternal Metaphors of Power in African American Women's Literature Geneva Cobb Moore, 2017-03-31 An in depth examination of Black women s experiences as portrayed in literature throughout American history Geneva Cobb Moore deftly combines literature history criticism and theory in Maternal Metaphors of Power in African American Women s Literature by offering insight into the historical black experience from slavery to freedom as depicted in the literature of nine female writers across several centuries Moore traces black women writers creation of feminine and maternal metaphors of power in literature from the colonial era work of Phillis Wheatley to the postmodern efforts of Paule Marshall Alice Walker and Toni Morrison Through their characters Moore shows how these writers re created the identity of black women and challenge existing rules shaping their subordinate status and behavior Drawing on feminist psychoanalytic and other social science theory Moore examines the maternal iconography and counter hegemonic narratives by which these writers responded to oppressive conventions of race gender and authority Moore grounds her account in studies of Wheatley Harriet Jacobs

Charlotte Forten Grimké Jessie Fauset Nella Larsen and Zora Neale Hurston All these authors she contends wrote against invisibility and powerlessness by developing and cultivating a personal voice and an individual story of vulnerability nurturing capacity and agency that confounded prevailing notions of race and gender and called into question moral reform In these nine writers construction of feminine images real and symbolic Moore finds a shared sense of the historically significant role of black women in the liberation struggle during slavery the Jim Crow period and beyond A foreword is offered by Andrew Billingsley a pioneering sociologist and a leading scholar in African American studies Sex, Power and the Folly of Marriage in Women's Novels of the 1920s Judy Cornes, 2015-10-26 The Americans experienced great social change in the decade following World War I They were restless often discontented searching for the good life the one promised to the generation who cheered on by patriotic slogans and propaganda enlisted to fight on European battlefields While young writers such as Hemingway and Fitzgerald romanticized the lives of Americans in postwar Europe and the U S a number of women authors in the 1920s looked through a darker lens The novels of Edith Wharton Willa Cather Margaret Wilson Edna Ferber Ellen Glasgow Dorothy Scarborough and Dawn Powell set mainly in the 19th century searched the past for the origins of postwar upheaval especially with respect to the status of women Today a few iconic male novelists of the 1920s are synonymous with the spirit and culture of the Jazz Age This book focuses on their female contemporaries largely neglected by both critics and readers who remain relevant for their exploration of timeless social and psychological themes the battle of the sexes and its tragic consequences **Congressional Record** United States. Reciprocal Ethnography and the Power of Women's

Narratives

Elaine J. Lawless, 2019-08-09 Folklorist Elaine J. Lawless has devoted her career to ethnographic research with underserved groups in the American Midwest including charismatic Pentecostals clergywomen victims of domestic violence and displaced African Americans She has consistently focused her research on women's speech in these contexts and has developed a new approach to ethnographic research which she calls reciprocal ethnography while growing a detailed corpus of work on women's narrative style and expressive speech Reciprocal ethnography is a feminist and collaborative ethnographic approach that Lawless developed as a challenge to the reflexive turn in anthropological fieldwork and research in the 1970s which was often male centric ignoring the contributions by and study of women's culture Collected here for the first time are Lawless's key articles on the topics of reciprocal ethnography and women's narrative which influenced not only folklore but also the allied fields of anthropology sociology performance studies and women's and gender studies Lawless's methods and research continue to be critically relevant in today's global struggle for gender equality

Relational and Embodied Social Justice Pedagogies in Social Work Shoshana L. Pollack, 2025-09-18 Looking at the various ways the concepts of anti oppression and social justice are utilized by social work scholars and the pedagogical means by which educators explore this material this book analyses the difficulties of turning abstract theory into practice Focussing on the lived experiences of marginalized peoples as sources of knowledge and theory it examines integrative educational pedagogies such as those offered by Indigenous scholars and critical pedagogues like bell hooks and Parker Palmer that flow from these epistemological and theoretical concerns Furthermore it analyses the main challenges that social work educators have highlighted regarding teaching courses on diversity and privilege These include difficulties translating abstract theory into practice tokenization and othering of marginalized students disregard for racialized professors knowledge student resistance to having dominant beliefs challenged about race sexuality and class for example and instructor difficulties navigating contentious topics It will appeal to scholars and educators interested in feminist anti racist decolonial and critical theories in social work sociology and social justice education It will also appeal to those interested in transformative teaching practices including the democratization of classrooms Indigenous learning models and experiential learning
