Divorce Recovery Margaret Harris, 2012-02 Margaret had been stuck in the winter season of her marriage waiting for the spring to come again and bring happiness and calm back to the relationship But when spring came it looked nothing like she imagined When Margaret Harris met her husband she knew he was a work in progress But she also knew how much the Lord loved him She chose to love him too and believed theirs was a love that would last forever Soon after the wedding her bliss was shattered by a violent turn of events Her husband lashed out in anger hurting her with physical blows and verbal attacks She chose to remain strong and faithful to the Lord praying for her husband and showing him God s love For a time he turned to the Lord himself and it seemed things were looking up The winter could be over As it turned out it was just a nice day and the bitter cold of winter returned Later her husband said

he wanted a divorce Spring had come but it was hard to see the new blooms when she felt crushed by an outcome she hadn't wanted This is a story of pain and recovery This is a story of trials and triumph This is a story of forgiveness and faith Let Margaret's moving account of her life's experiences and Divorce Recovery touch your heart and give you comfort and inspiration as you battle your own winter or enter your spring **Divorce** Kay Eck, 2018-11-16 Kay Eck's moving and melodic memoir brings us in close range view of her mapless journey to consciously uncouple from her husband of nearly 30 years She takes us along as she sorts through some thorny emotions and potent truths before finding solid footing in her own life Her sometimes harrowing sometimes humorous path takes her on a rich and bumpy ride through self discovery unplanned healing and luminous growth Beautifully written and honestly portrayed Divorce a love story cracks marriage wide open revealing the hidden light radiating from within every partnership especially the one we have with our Self I just finished this beautiful book or poem there's not really a name that I know of for what it is More than a story about conscious uncoupling it is a window into the heart of a mystic that also happens to illumine a revolutionary antidote to the mass hypnosis that would have us sleepwalking through the unconscious habit of trying to exorcise love out of our hearts I loved it T A **No Fault** Haley Mlotek, 2025-02-18 An intimate and candid account of one of the most romantic and revolutionary relationships divorce When Haley Mlotek was ten years old she told her mother to leave her father Divorce was all around her Her mother ran a mediation and marriage counseling practice out of Mlotek's childhood home and Mlotek spent her preteen years answering the phones and typing out parenting plans for couples in the process of leaving each other She grew up with the sense that divorce was an outcome to both resist and desire an ordeal that promised something better on the other side of something bad But when she herself went on to marry and then divorce the man she had been with for twelve years suddenly she had to reconsider everything she thought she understood about divorce Deftly combining her personal story with wry searching social and literary exploration No Fault is a brilliant account of 21st century divorce its remarkably common yet seemingly singular impact and what it reveals about our society and our desires for family love and friendship Mlotek asks profound questions about what divorce should be who it is for and why the institution of marriage maintains its power all while charting a poignant and cathartic journey away from her own marriage and towards an unknown future Brilliant funny and unflinchingly honest No Fault is a kaleidoscopic look at marriage secrets ambitions and what it truly means to love and live with uncertainty betrayal and hope **Divorced with Love** Michael Schiesser, Neelama Eyres, 2018-03-14 Michael Schiesser and Neelama Eyres share a unique story of the healing journey that ultimately led them across the country to live together as divorced friends raising their son Told in alternating chapters from his perspective and hers the authors chronicle their unplanned pregnancy and the birth of their special needs child the unravelling of their marriage amidst the hardships and gifts of special needs parenting and the role that an exotic love affair played in the story With unusual honesty compassion and humor they share their quest to answer one of life's most fundamental questions What is love For anyone
