### **98 Love Letters That Will Bring You to Your Knees: Poems and Love Letters of Great Men and Women**

John Bradshaw,2009-04-01 Searching for the book of love letters from the Sex in the City movie This book contains those letters as well as some of the most passionate and romantic poems and love letters ever written Explore the private longings and passions of the greatest men and women in history Find yourself in the middle of torrid love affairs undying devotion and scandalous betrayal as you uncover long lost correspondences between lovers From great Kings and Countesses to War Heroes and Philosophers spanning a period of five centuries this collection illustrates that the human desires of sex and love were as powerful then as they are now *Love Letters of Great Men and Women* Ursula Doyle,2009-10-20 From the private papers of Jane Austen and Mozart to those of Anne Boleyn and Nelson Love Letters of Great Men and Women collects together some of the most romantic letters in history For some of these great men love is a delicious poison William Congreve for others a nice soft wife on a sofa with good fire and books and music Charles Darwin Love can scorch like the heat of the sun Henry VIII or penetrate the depths of one s heart like a cooling rain Flaubert But what about the other side of the story What of the secret hopes and lives of some of the greatest women in history Taken together these love letters show that perhaps little has changed over the last 2 000 years Passion jealousy hope and longing are all represented here as is the simple pleasure of sending a letter to and receiving one from the person you love most *Love Letters of Great Men: the Collection of Love Letters Drawn from by Carrie Bradshaw in Sex in the City* Ludwig van Beethoven,Napoleon Bonaparte,John Adams,Voltaire,2012-11-21 Love Letters of Great Men The Collection of Love Letters Drawn from by Carrie Bradshaw in Sex in the City is a work by Beethoven Bonaparte John Adams Voltaire and others now brought to you in this new edition of the timeless classic *Love Letters and the Romantic Novel during the Napoleonic Wars* Sharon Worley,2017-01-06 Love letters during the Napoleonic wars were largely framed by concepts of love which were promoted through novels and philosophy The standard texts so to speak which were written by major authors who inherited this Enlightenment bearing responded to the emerging concepts of love found in novels and philosophical essays Love among this Napoleonic coterie is unique because it demonstrates the reciprocal relationship between the love letter and the romantic novel Germaine de Sta l Juliette R camier Chateaubriand Benjamin Constant Lady Emma Hamilton Napoleon Bonaparte and his brother Lucien Bonaparte were the authors and recipients of some of the most passionate love letters of this period They

were also avid readers of the newly emerging genre of the romantic novel and many of them were also authors of such works where they projected their personal romances onto the characterization of their fictional heroes and heroines In addition these authors had lived through the recent French Revolution and the Terror Imprisoned during the Revolution or branded as emigrés upon their return to Paris their mature adult lives were spent in the shadows of the Napoleonic wars in which they shifted political loyalties as the specter of Napoleon's powers grew from First Consul to Emperor of Europe The looming threat of war ignited the depths of their passions and inspired their intellectual analysis of love happiness and suicide Their evolving concept of love was a romantic all consuming passion which gripped the lovers in fatal embraces This book's analysis of their love letters and romantic novels reveals the emerging political landscape of the period through extended metaphors of love and patriotism

**Love Letters of Great Men and Women** C. H. Charles, 2008-09-18 In an age where emails and text messages keep people in constant communication the love letter seems a thing of the past But a love text message can hardly compare to a letter from the heart The producers of the Sex and the City movie obviously agree and their film has reminded viewers of the power and beauty of a love letter In recognition of this Quercus is publishing Love Letters of Great Men and Women first published in the UK in 1924 which probably inspired the storyline in Sex and the City It is a charming read including declarations of love proposals of marriage and simple adoration from famous men and women of history including leaders such as Napoleon King George IV and Catherine the Great writers from Robert Burns to Charles Dickens and Gustave Flaubert and musicians from Mozart to Beethoven to name but a few These are letters to inspire to encourage us to share our feelings in this tried and tested way but most of all they are for the hopeless romantic in all of us

Why Love Hurts Eva Illouz, 2013-05-06 Few of us have been spared the agonies of intimate relationships They come in many shapes loving a man or a woman who will not commit to us being heartbroken when we're abandoned by a lover engaging in Sisyphean internet searches coming back lonely from bars parties or blind dates feeling bored in a relationship that is so much less than we had envisaged these are only some of the ways in which the search for love is a difficult and often painful experience Despite the widespread and almost collective character of these experiences our culture insists they are the result of faulty or insufficiently mature psyches For many the Freudian idea that the family designs the pattern of an individual's erotic career has been the main explanation for why and how we fail to find or sustain love Psychoanalysis and popular psychology have succeeded spectacularly in convincing us that individuals bear responsibility for the misery of their romantic and erotic lives The purpose of this book is to change our way of thinking about what is wrong in modern relationships The problem is not dysfunctional childhoods or insufficiently self-aware psyches but rather the institutional forces shaping how we love The argument of this book is that the modern romantic experience is shaped by a fundamental transformation in the ecology and architecture of romantic choice The samples from which men and women choose a partner the modes of evaluating prospective partners the very importance of choice and autonomy and what people imagine to be the

spectrum of their choices all these aspects of choice have transformed the very core of the will how we want a partner the sense of worth bestowed by relationships and the organization of desire This book does to love what Marx did to commodities it shows that it is shaped by social relations and institutions and that it circulates in a marketplace of unequal actors
