Living in The Story Charlotte Vaughan Coyle, 2021-08-26 What kind of book is the Bible Is it a rulebook or a guidebook for moral living Is it a history book or a book filled with fascinating and sometimes fantastic stories Did humans write the Bible or did God somehow speak a perfect message that the authors transcribed Many people have asked these questions about the nature of this beautiful odd comforting disturbing book the church calls its Holy Scripture Charlotte Vaughan Coyle shares her own journey to make sense of the Bible in this read through the Bible in a year project She discovered that the crucial work of asking hard questions and even arguing with the Bible revealed the Scriptures to be a symphony of polyphonic voices a work of art that paints an alternative vision of reality a complex novel like story unavoidably embedded in its own culture and time and yet able to give witness to the God beyond history who has acted and continues to act within history With the heart of a pastor and the passion of a preacher Rev Coyle invites seekers and students both church and un church to strap on their scuba gear and join her for a deeper dive
