Fill Your Life with Love Mark Lehman, 2007-08 Lehman reveals how to ensure every phase of life becomes a blessing through God's supernatural power Practical Life *Pimping God* Leola Silas, 2016-03-03 Pimping God explores a biblical path to correctly connecting to God without shakedowns in your place of worship It will help you in becoming a disciple of Jesus Christ and not just a church member I grew up in the church as a very small child went out in the world and got tired of the people I was hanging out with and I thought one day that I did not want to be in hell with them and I returned to God and he took me back and I became serious about where I was going to spend eternity I became a disciple of Jesus Christ with a sanctified leader and the Holy Spirit from God Is your life spiraling out of control Do you feel like something is missing in your life Have you considered the reason to serve God Will you leave the world behind to follow Jesus Pimping God is a good place to start

Without Denomination: A Critique of Church Doctrines Roy D. Perkins, 2016-01-20 As the subtitle says the book is a critique of denominational church doctrines It is an objective writing as I the author have made every attempt to keep personal biases and subjective thinking out of the writing It deals with denominational churches as to what's right in their doctrines and what's wrong As mentioned 100% of all church doctrines do not line up with the scriptures Some churches come close but no cigar Others are so far out that I cannot fathom why they are called Christian Churches The book discusses a host of contemporary topics which the Bible mentions in detail In addition to man made traditions of all the churches the book tackles taboo topics in the church world such as abortion alcoholism smoking drugs gambling homosexuality infant baptism Jehovah's Witnesses Mormons Islam Agnosticism Atheism Women in the Church Divorce Interfaith Services The Tribulation Tithing 666 Welfare Social Security Disability and paid salaries for the clergy The book has mostly scriptural references but some non scriptural references too All statements are supported with a Biblical verse or occasionally with an article or a personal reference The Biblical references are from the King James Version the New International Version or sometimes paraphrased The book flows easily as I used 198 words rather than 10000 words It is written so that the average 12 year old will understand it Although I mention particular denominations I never mention the names of churches or the names of people who were involved in the various scenes of the book The book is an educational and enlightening tool for pastors sermons Bible studies and Sunday School Classes The book's one endeavor is to reveal the truth about Christianity I don't understand why someone else didn't write this book decades ago This book reveals to the readers that their churches and church leaders are not what they claim to be In the book there are some interesting and humorous anecdotes about situations which help to get a point across They are lessons learned This book is meant for Christian readers as well as non believers and for those who are on the fence This book will cause one to think and perhaps reevaluate his or her position on God salvation and what is next after he or she departs this world

Vietmeier,2021-03-16 This

book is the author's second book *Let There Be Light* refers to the fact that the Bible teaches us to walk in the light and be children of light. We walk in the light when we try our best to do and say things as if Jesus was doing and saying them. The old saying "What would Jesus do" is a perfect example. The beginning of the book teaches us what it means to live in the light and how to continue to strive to live in the light. The book then moves on to the problems facing Christians today. Christians are being persecuted both in other countries of the world and in our own country, the United States of America. In chapter 9, God directed the author to write based on a vision he received one night. It was about what will happen if we are not successful in changing our culture's direction. It is currently turning away from God and heading in the direction inspired by Satan. Satan preys on us by studying our weaknesses and our desires. He promises to give those to us just as he promised Eve things based on her desires that is to be more like God. Jesus said that Satan is the father of lies and all that is evil. Please keep that in mind. It just may save you.

The Life System: God and Man 101 Matthew Thedford, 2012-04-02 *The Life System: God and Man 101* is a spiritual how-to book that teaches people how to use God's Word and their own words to solve any issue and actually create the things they want to see in life by imitating God. This book takes the notion that God works in mysterious ways and turns it head over heels by pointing out the simplicity of God and His relationship with Man.

Big Picture Parents Harriet Connor, 2017-01-20 Being a parent in the modern world is tough. We are often overwhelmed with fear about damaging our children, guilt about our imperfections, and confusion about our role. Harriet Connor knows these feelings well. But hers is not just another parenting book full of shoulds and shouldn'ts.

to make you feel worse Rather she invites you to step back and consider the bigger picture What is the purpose of life and parenthood What are our human limitations How can we cope with our guilt and fear What are our family s values and how do we pass them on What is our family s structure and place within the wider community When she was desperate for answers Harriet Connor turned to the ancient wisdom of her ancestors the Bible She went looking for little pieces of grandmotherly advice but what she found was a grand vision a big picture that made sense of both life and parenthood Whether you are new to the Bible or have read it before you will not regret taking time to reflect on its message which has given comfort and guidance to generations of parents just like you

Choosing Stillness, Knowing Love Christine Dixon,2016-06-03 Often our default is to turn for guidance to external sources rather than connecting to the God given Spirit of Love within us We may effectively forfeit our direct connection to God and become dependent on outside authorities causing our spiritual roots to remain shallow and insecure Choosing Stillness Knowing Love offers a practical daily plan that makes connecting to the Spirit of God personal and tangible Through guided journaling awareness and stillness exercises this book encourages the reader to develop the habit of creating space to listen to the still small voice of God This leads to deeper roots that result in healing wisdom and a natural production of the fruit of the Spirit This book is designed to focus on one person at a time one moment at a time

The Anointed ONE Mark Brand,2024-09-17 Here Am I reflects the attitude of our Anointed One The words were spoken initially in Isaiah 6 8 when the Lord was looking for a messenger and Isaiah was saying Here am I Send me Those words also reflect the heart and mission of our Messiah Many of the prophets spoke about Him and He brought a message of hope for the sinner a message of mercy and forgiveness originating from our loving Heavenly Father We find our promise of the coming Anointed One from the garden of Eden through the covenants In the temple and the holidays we see things that also point us toward our Messiah He s in too many places to list here We find Him throughout the Old Testament in the stories in the text in the prophecies saying Here Am I the one foretold about It s incredible how many places in God s Word our Messiah the Anointed One shows up My prayer for you is that you are blessed through the reading May the Lord bless you and keep you Amen

Come and Ride with Me Chris Nwoke,2020-10-29 Come and Ride with Me is a call for action God is saying you can depend on me In both the physical and invisible realm well before global navigational systems emerged the word of God has been a guiding light The Psalmist declared in Psalm 119 105 saying Thy word is a lamp unto my feet and a light unto my path The word of God enlightens presently the path for the living in this world and has been since the beginning of time The precious word of God is true living ageless and relevant today and will be in years to come as it was in the past It is holy righteous blessed and priceless Considering its origin it will not fail God who is faithful and true has blessed it The full impact of its power is in the application From joyous to sad times from easy to challenging times the word of God shines a bright light into the hearts and souls of the hearers Whosoever receives and applies it to their lives will forever know the difference Consistent with the call to serve I have traveled to

various countries of the world proclaiming the gospel In each place I beheld the working power of God through changed lives In the beginning I shared weekly messages online on many topics Each message is inspirational speaking to the hearts and minds of people Over the years I had desired to compile those messages in a book for the benefit of more readers So to that end with much prayer we have incorporated in this book those messages with some images and testimonies that reflect the great commission I encourage you to read by faith to discover how God has done extraordinary things in the lives of ordinary people *The Passion Translation New Testament Masterpiece Edition (2020 edition)* Brian Simmons, Cheryl
