*This Monastic Moment* John W. de Gruchy, 2021-10-30 Kairos refers to moments in chronological time when all hell is breaking loose and we are called to change our ways before we are dragged into the abyss Kairos is apocalyptic time and it is here and now Such is the time in which we need to listen again to St Benedict of Nursia Far too many of us Christians have either been seduced by the false values of the age and the spirit of Christian triumphalism or else have been attracted to gnostic forms of spirituality that provide a means of escape from reality and responsibility Any delay in responding to this kairos moment increases the danger that we fail to change our ways and grasp the opportunity God gives us to receive the coming kingdom in greater fullness now So St Benedict \_een hundred years a\_er he wrote his Rule continues to tell us to listen wake up and run while there is still light \_is is a time for both contemplation and action prayer

and doing justice a time for mystics and prophets to join hands and hearts for the sake of the world From the Prologue
