*Simple & Easy Forex Trading Strategies* Josef Fluse, I have seen brand new Forex investors and traders around the world waste a serious amount of valuable education and training time on learning information that will not do them any good and can even cause them to lose some of their hard earned money right away in the live markets No one wants that however it is a huge mistake that virtually all brand new Forex traders make because they don t know any better after reading this book you will I don t care where you trade from or what you trade Dubai to Detroit or Mumbai to Manhattan doesn t matter because a chart is a chart and supply and demand is supply and demand period live markets don t work any other way no matter where in the world you are or what your trading even camels or goats New Forex traders all around the world spend waaaay too much time on looking for the magical combination of indicators settings and colors they think will show them something that is going to help them make more money There are no shortcuts or bells that go ding to tell you to enter the right position so stop looking right now and if you are using something like that and you re losing money that is why All you need to see is right in front of you on the price chart and that is price and time Those are the only things that professional Forex traders care about and nothing else You can certainly use your chart like a crystal ball to tell you where price will go with a high degree of certainty When you are done reading this book you will have an excellent basic explanation of what and what not to do before you even study anything or do any kind of education The information in this book will put you on the fast track to becoming a successful self directed Forex investor and trader no matter where you trade from in the world or what you trade with very little money invested This book gives you the brutal and harsh truth of what happens in real life in real time and in real money in the worlds live markets every day There are no short cuts and you must do the time if you want to drive your own money train to the bank
