**God's Glory Alone---The Majestic Heart of Christian Faith and Life** David VanDrunen, 2015-12-01 Renowned scholar David VanDrunen tracks the historical and biblical roots of the idea that all glory belongs exclusively to God. God's Glory Alone is a beautiful reflection on how commitment to God's glory alone fortifies us to live godly lives in this present age. Reinventing one of the five great declarations of the Reformation, *solus Deo gloria*, VanDrunen examines the development of this theme in the Reformation, in subsequent Reformed theology and confessions, and in contemporary theologians who continue to be inspired by the conviction that all glory belongs to God. Turns to the biblical story of God's glory beginning with the pillar of cloud and fire revealed to Israel, continuing through the incarnation, death, and exaltation of the Lord Jesus Christ, and culminating in Christ's Second Coming and the glorification of his people. Addresses several of today's great cultural challenges and temptations that attempt to draw us away from a God-centered instead of self-centered way of life. This book leads you into a renewed sense of awe and adoration for our Creator and Redeemer as it mines deeply into the biblical and theological truths about God's glory that stand at the center of the Christian faith. THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth-century Protestant Reformation were five declarations often referred to as the *solas*. These five statements summarize much of what the Reformation was about, and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures, acknowledge the work of Christ alone as sufficient for redemption, recognize that salvation is by grace alone through faith alone, and seek to do all things for God's glory. The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them, leading to a more profound theological vision of our lives and callings as Christians and churches.

**God's Glory Alone Video Lectures** David Vandrunen, 2019-05-14 The Five Solas Series offers a look back to the five rallying cries of the Reformation, the five *solas*, while seeking to apply them in a fresh way to the contemporary church. In *God's Glory Alone Video Lectures*, renowned scholar David VanDrunen explores the majestic heart of Christian faith and life.

**Christ Alone---The Uniqueness of Jesus as Savior** Stephen Wellum, 2017-04-18 Professor of theology, Stephen Wellum considers Christ's singular uniqueness and significance biblically, historically, and today in our pluralistic and postmodern age. *Christ Alone* is a much-needed study and defense of the doctrine that provides coherency to the Christian faith. If the church is to proclaim the same Christ as the Reformers, we must understand and embrace *solus Christus* with the same clarity, conviction, urgency, and abundance of joy as the Reformers. To that end, Wellum recovers the Reformers' basic insights by focusing first on two teachings: the exclusive identity of Christ and his sufficient work. Follows the historical roots of the doctrine and its developments to show how the uniqueness of Christ has come under specific attack today. Retraces the storyline of Scripture from Christ's unique identity and work as prophet, priest, and king to the application of his work to believers and our covenantal union with him. *Christ Alone* seeks to recover a robust biblical and

theological doctrine of Christ's person and work and a renewed understanding that apart from Christ there is no salvation in the face of today's challenges unpacking why a fresh appraisal of the Reformation understanding of Christ alone is so important today THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God's glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches

*Grace Alone---Salvation as a Gift of God* Carl R. Trueman, 2017-04-18 Grace is the heart of the Christian gospel It's a doctrine that touches the very depths of human existence and makes Christianity such an essential alternative to the dissolution and nihilism of modern culture Grace Alone guides you into a better doctrinal understanding of the issue and gives you a more glorious vision of an active and saving God The language of grace fills the Bible so much that to say grace alone may not evoke much reflection Unlike faith alone there's no theological controversy among expressions of Christianity Reviving one of the five great declarations of the Reformation and one of the more overlooked sola Gratia professor and church historian Carl Trueman Provides a thorough definition of grace as it's found in the Bible and an overview of biblical references to and teaching on grace Tracks the doctrine of grace as it's been articulated throughout church history with discussions of Augustine Pelagius Thomas Aquinas and ending with the Reformation and theologies of Luther and Calvin Looks at the relationship between the means of grace and the modern church defining the practical implications of the Reformation's understanding of grace Explanations throughout on the relationship of grace to sin salvation and glorification God's sovereignty the sacraments and the controversies regarding freewill and predestination Grace Alone is a beautiful and much needed revival of this foundational doctrine and the assurance of salvation

THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God's glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches

**Sola** Jason K. Allen, 2019-01-01 Discover why the fundamentals of the Reformation still matter today Why do people get so excited about a bunch of Latin phrases that some guys in Europe came up with 500 years ago Sure those five Latin phrases have defined Protestantism for

those 500 years but why do they matter today To my church For my life What s the big deal about all these solas anyway These ones Sola scriptura Scripture alone Sola fide Faith alone Sola gratia grace alone Solus Christus Christ alone Soli Dei Gloria To the glory of God alone Sola is a winsome inspiring introduction to these five pillars of the Reformation showing not just what they are but why they re important for the Christian life today Edited and compiled by Jason Allen Sola will illuminate these core truths that have been reforming the church all along And it may just get you excited about nerdy Latin phrases too

**Faith Alone---The Doctrine of Justification** Thomas R. Schreiner, 2015-09-15 Renowned biblical scholar Thomas Schreiner looks at the historical and biblical roots of the doctrine of justification and offers an updated defense of this pillar of Reformed theology Reinvigorating one of the five great declarations of the Reformation sola fide Schreiner Summarizes the history of the doctrine looking at the early church and the writings of several of the Reformers Walks readers through an examination of the key biblical texts in the Old and New Testament that support the Reformed understanding of justification Discusses whether justification is transformative or forensic and introduces readers to some of the contemporary challenges to the Reformation teaching of sola fide with particular attention to the new perspective on Paul Five hundred years after the Reformation the doctrine of justification by faith alone still needs to be understood and proclaimed In Faith Alone you will learn how the rallying cry of sola fide is rooted in the Scriptures and how to understand this doctrine in a fresh way THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God s glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches

**Reformed Systematic Theology, Volume 1** Joel Beeke, Paul M. Smalley, 2019-03-14 The church needs good theology that engages the head heart and hands This four volume work combines rigorous historical and theological scholarship with application and practicality characterized by an accessible Reformed and experiential approach In this volume Joel R Beeke and Paul M Smalley explore the first two of eight central themes of theology revelation and God

God's Word Alone---The Authority of Scripture Matthew Barrett, 2016-09-20 Scholar and pastor Matthew Barrett retraces the historical and biblical roots of the doctrine that Scripture alone is the final and decisive authority for God s people God s Word Alone is a decisive defense of the Bible as the inspired and inerrant Word of God Revitalizing one of the five great declarations of the Reformation sola Scriptura Barrett Analyzes what the idea of sola Scriptura is and what it entails clarifying why the doctrine is truth and why it s so essential to Christianity Surveys the development of this theme in the Reformation and traces the

crisis that followed resulting in a shift away from the authority of Scripture Shows that we need to recover a robust doctrine of Scripture s authority in the face of today s challenges and why a solid doctrinal foundation built on God s Word is the best hope for the future of the church This book is an exploration of the past in order to better understand our present and the importance of reviving this indispensable doctrine for the Christian faith and church today THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God s glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches

*The Ethics of Superintelligent Design* Paul Golata, 2018-03-07 Artificial intelligence AI permeates Google searches the personal assistants in our smartphones and is all over our newsfeeds Watson s machine learning has already started to revolutionize many important industries including oncology law finance and entertainment The idea that man is about to increase his immediate surroundings with exponential gains in the level of intelligence over the coming generations is based upon a technological revolution and the potential for artificial superintelligence ASI It is within this context that there is a prevailing need for a discussion of its ethical implications As a Christian ethicist Paul Golata believes that the need for this conversation to be informed by Christian principles is imperative ASI is a move toward the proper handling of information However how a society interprets and applies this information is actually more pertinent than the raw amount of information it possesses This important ethical conversation is being led by humanistic thinkers who assume that all of reality is just matter in motion and that mind is nothing more than electrochemical activity in the wetware of human brains The Ethics of Superintelligent Design critically

examines and challenges some of the most important trajectories of ASI while upholding the authority and inerrancy of the Bible the supernatural creation account a realistic view of the state of humanity and biblical ethics Fulfilled Through Fear Dean C. Halverson, 2025-06-20 When do we feel most alive It s when something or someone grabs our attention and causes us to live with a passion for those things that are outside us Think of falling in love or living for a cause That s what fearing God does It causes us to come alive by grabbing our attention and focusing us on the God who loves us Fearing God is not the same as being afraid of God Instead fearing God is being overwhelmed by the infinite loving dangerous God and being fulfilled by that fear Finding fulfillment by fearing God challenges the popular belief that we will be most fulfilled when we follow our hearts Read this book with a heart that is open to being transformed Re-Envisioning Transformation David C. Scott, 2018-09-14 In today s church use of the term transformation has become commonplace Various perspectives are offered on what a Christian view of transformation is and on how it may be achieved These often conflicting views suggest an ecclesial landscape characterized by pluralism division fragmentation confusion relativism individualism pragmatism and subjectivism Despite the current interest in transformational theology the absence of a common coherent and integrated vision and the lack of transformation is often accepted and affirmed Re Envisioning Transformation looks at the possibility of moving toward a vision of transformational theology that is cohesive unified broad effectual and distinctly Christian In this book the contributions of two radically different theologians of the Christian life are examined This provides the basis from which to develop a comprehensive and integrated framework of transformational theology pointing God s people toward the need to express and live out a distinctly Christian vision **Invitation to Biblical Theology** Jeremy M. Kimble, Ched Spellman, 2020-06-30 Invitation to Biblical Theology provides a thorough overview of biblical theology that is accessible for those new to the topic but substantial enough for advanced study Defining biblical theology as the study of the whole Bible on its own terms Jeremy Kimble and Ched Spellman begin with a brief history of the discipline followed by a survey of contemporary approaches They then lay out their own approach built on the framework of the canon the covenants and Christ Taking God s plan of redemption in Christ as the uniting theme of Scripture Kimble and Spellman survey the grand storyline of the Bible from Genesis to Revelation showing how each division of the canon moves the overarching story forward The following ten chapters survey central and recurring themes of Scripture including kingdom worship Messiah and atonement God s glory and mission The authors conclude with reflections on how biblical theology can serve the church as well as the academy **The Doctrine on Which the Church Stands or Falls (Foreword by D. A. Carson)** Matthew Barrett, 2019-03-14 Many factors contributed to the Protestant Reformation but one of the most significant was the debate over the doctrine of justification by faith alone In fact Martin Luther argued that justification is the doctrine on which the church stands or falls This comprehensive volume of 26 essays from a host of scholars explores the doctrine of justification from the lenses of history the Bible theology and pastoral practice revealing the enduring significance of this pillar of

Protestant theology     **The Glory of God and Paul** Christopher W. Morgan, Robert A. Peterson, 2022-02-22 God intends his glory to impact many areas of believers lives their gradual transformation from glory to glory occurs as they meditate and reflect on the splendor of the Lord Christopher Morgan and Robert Peterson explore the glory of God in Paul's letters touching on the Trinity salvation the resurrection the new covenant the church eschatology and the Christian life     **How Can I Overcome Lust?** Ryan M. McGraw, 2018-03-28 In How Can I Overcome Lust Ryan M McGraw highlights the seriousness of sexual lust and gives readers hope for overcoming it He considers the foundational principles of overcoming lust in general identifies the nature of sexual lust in particular and applies biblical principles for finding a path through it As McGraw shows overcoming sexual lust is made possible by union with Christ as the Spirit makes us like Him through God given means He also encourages us to meditate on appropriate truths of Scripture so that our affections can be reordered in a God honoring way     **Biblical Authority after Babel** Kevin J. Vanhoozer, 2016-10-18 Christianity Today Book Award Winner A Jesus Creed Church History Book of the Year In recent years notable scholars have argued that the Protestant Reformation unleashed interpretive anarchy on the church Is it time to consider the Reformation to be a 500 year experiment gone wrong World renowned evangelical theologian Kevin Vanhoozer thinks not While he sees recent critiques as legitimate he argues that retrieving the Reformation's core principles offers an answer to critics of Protestant biblical interpretation Vanhoozer explores how a proper reappropriation of the five solas sola gratia grace alone sola fide faith alone sola scriptura Scripture alone solus Christus in Christ alone and sola Deo gloria for the glory of God alone offers the tools to constrain biblical interpretation and establish interpretive authority He offers a positive assessment of the Reformation showing how a retrieval of mere Protestant Christianity has the potential to reform contemporary Christian belief and practice This provocative response and statement from a top theologian is accessibly written for pastors and church leaders

**Participation and Covenant** Dick Moes, 2024-03-13 In Participation and Covenant Contours of a Theodramatic Theology Moes develops a theological framework that has participation in the life of God in Christ through the Spirit as its integrative center In doing so he enters into conversation with covenant or federal theology particularly as it has been presented by Michael Horton in which the integrative center is the concept of the covenant He argues that God's fundamental relationship with humanity does not entail a covenant ontology a fundamentally legal and ethical relationship to God as we find in Horton's presentation but rather an ontology of participating in God's loving presence in Christ through the Holy Spirit For this relationship we were created and this participation is therefore natural to us Accordingly a theodramatic framework that incorporates a reframed understanding of divine human covenants and that has participation in the life of God in Christ by the Spirit as its integrative center is better able to give direction for clearly communicating the gospel in our secular culture and for properly shaping our Christian identity and practice in the face of the secularism that affects the church too than Horton's framework of covenant theology     **Hearers and Doers** Kevin J. Vanhoozer, 2019-05-15 The foundation of

discipleship is sound scriptural doctrine The value of sound doctrine is often misunderstood by the modern church While it can be dry and dull when it flows from the story of Scripture it can be full of life and love This kind of doctrine steeped in Scripture is critical for disciple making And it s often overlooked by modern pastors In Hearers and Doers Kevin Vanhoozer makes the case that pastors as pastor theologians ought to interpret Scripture theologically to articulate doctrine and help cultivate disciples scriptural doctrine is vital to the life of the church and local pastor theologians should be the ones delivering it to their communities With arresting prose and striking metaphors Vanhoozer addresses the most pressing problems in the modern church with one answer teach sound scriptural doctrine to make disciples

**The Beauty of the Lord** Jonathan King, 2018-05-30 Why is God s beauty often absent from our theology Rarely do theologians take up the theme of God s beauty even more rarely do they consider how God s beauty should shape the task of theology itself But the psalmist says that the heart of the believer s desire is to behold the beauty of the Lord In The Beauty of the Lord Jonathan King restores aesthetics as not merely a valid lens for theological reflection but an essential one Jesus our incarnate Redeemer displays the Triune God s beauty in his actions and person from creation to final consummation How can and should theology better reflect this unveiled beauty The Beauty of the Lord is a renewal of a truly aesthetic theology and a properly theological aesthetics
