

To God be the glory - Praise the Lord

from www.traditionalmusic.co.uk

Trinity Hymnal No.:667

To God be the glory, great things he hath done!
So loved he the world that he gave us his Son,
Who yielded his life an atonement for sin,
And opened the life gate that we may go in.

Praise the Lord, praise the Lord,
Let the earth hear his voice!
Praise the Lord, praise the Lord,
Let the people rejoice!
O come to the Father through Jesus the Son,
And give him the glory, great things he hath done!

O perfect redemption, the purchase of blood!
To ev'ry believer the promise of God;
The vilest offender who truly believes,
That moment from Jesus forgiveness receives.

Great things he hath taught us, great things he hath done,
And great our rejoicing through Jesus the Son;
But purer, and higher, and greater will be
Our wonder, our transport, when Jesus we see.

Glory And Praise Hymnal Song List:

Hymns and Hymnody III John Forest, Mark A. Lamport, Vernon M. Whaley, 2020-10-29 Hymns and the music the church sings are tangible means of expressing worship And while worship is one of if not the central functions of the church along with mission service education justice and compassion and occupies a prime focus of our churches a renewed sense of awareness to our theological presuppositions and cultural cues must be maintained to ensure a proper focus in worship Hymns and Hymnody Historical and Theological Introductions is a 60 chapter three volume introductory textbook describing the most influential hymnists liturgists and musical movements of the church This academically grounded resource evaluates both the historical and theological perspectives of the major hymnists and composers that have impacted the church over the course of twenty centuries Volume 1 explores the early church and concludes with the Renaissance era hymnists Volume 2 begins with the Reformation and extends to the eighteenth century hymnists and liturgists Volume 3 engages nineteenth century hymnists to the contemporary movements of the twenty first century Each chapter contains these five elements historical background theological perspectives communicated in their hymns compositions contribution to liturgy and worship notable hymns and bibliography The mission of Hymns and Hymnody is 1 to provide biographical data on influential hymn writers for students and interested laypeople and 2 to provide a theological analysis of what these composers have communicated in the theology of their hymns We believe it is vital for those involved in leading the worship of the church to recognize that what they communicate is in fact theology This latter aspect we contend is missing yet important in accessible formats for the current literature Designing Worship Together Norma deWaal Malefyt, Howard Vanderwell, 2004-12-30 Much more than a how to for worship planners Drawing on more than two decades of collaborative worship planning as well as numerous conversations with other worship planners Pastor Howard Vanderwell and musician Norma de Waal Malefyt lay out a thoughtful field tested process for planning implementing and evaluating life enriching weekly worship Well over a dozen field tested tools and a selected bibliography round out this invaluable resource for worship planners Glory and Praise Oregon Catholic Press, Randall DeBruyn, 1997 *Hymn-book of the Evangelical Association* Anonymous, 2025-08-09 Reprint of the original first published in 1882 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *The Whole Book of Psalms, in Metre; with Hymns Suited to the Feasts and Fasts of the Church, Etc*, 1827 *The American Hymn and Tune Book: Containing Nearly 1000 Hymns* G. work of theology to resistance and centering Christian hope in a Eucharist that might better support it he argues undermines our ability to talk about the activity of God within a consumer culture By reframing the question in terms of God s activity in and in spite of consumer culture this book offers a lived theological account of consumer culture that recognizes not only its deceptions but also traces of truth in its broken promises and fallen hopes Church Missionary Hymn Book.
