

The background of the image is a dramatic landscape. The sky is filled with dark, heavy clouds, with a bright, glowing light source (likely the sun) breaking through near the horizon, creating a strong lens flare and illuminating the scene. Below the sky, a long, straight road or path stretches from the foreground into the distance, flanked by dark, silhouetted hills or mountains. The overall color palette is dominated by deep blues, oranges, and yellows from the sunset.

God's Glory Alone---The Majestic Heart of Christian Faith and Life David VanDrunen, 2015-12-01 Renowned scholar David VanDrunen tracks the historical and biblical roots of the idea that all glory belongs exclusively to God God's Glory Alone is a beautiful reflection on how commitment to God's glory alone fortifies us to live godly lives in this present age Reinvigorating one of the five great declarations of the Reformation *Soli Deo gloria* VanDrunen Examines the development of this theme in the Reformation in subsequent Reformed theology and confessions and in contemporary theologians who continue to be inspired by the conviction that all glory belongs to God Turns to the biblical story of God's glory beginning with the pillar of cloud and fire revealed to Israel continuing through the incarnation death and exaltation of the Lord Jesus Christ and culminating in Christ's Second Coming and the glorification of his people Addresses several of today's great cultural challenges and temptations that attempt to draw us away from a God centered instead of self centered way of life This book leads you into a renewed sense of awe and adoration for our Creator and Redeemer as it mines deeply into the biblical and theological truths about God's glory that stand at the center of the Christian faith THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God's glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches

Luther and Bach on the Magnificat Peter A. Hendrickson, Bradley C. Jenson, Randi H. The New Reformation Shai Linne, 2021-05-18 In the sixteenth century the church faced a doctrinal crisis Today the crisis is race We all know that racial unity is important But what's the right way to approach it How can Christians of different ethnicities pursue unity in an environment that is so highly charged and full of landmines on all sides In *The New Reformation* Christian hip hop artist Shai Linne shows how the gospel applies to the pursuit of ethnic unity When it comes to ethnicity Christians today have to fight against two tendencies idolatry and apathy Idolatry makes ethnicity ultimate while apathy tends to ignore it altogether But there is a third way the way of the Bible Shai explains how ethnicity the biblical word for what we mean by race exists for God's glory Drawing from his experience as an artist theologian church planter and pastor Shai will help you chart a new way forward in addressing the critical question of what it means for people of all ethnicities to be the one people of God *12 Marks of a Man of God* G.
