**The Homophobic Mind** Wayne R. Dynes, 2013-11-18 The Homophobic Mind addresses a host of myths and fabrications that have functioned over the centuries to rationalize prejudice and discrimination affecting GLBT people The history of homophobia does not disclose a monolithic entity instead it is an amalgam of disparate elements This book examines more than forty separate tropes or motifs These tropes have varied origins stemming from the realms of religion philosophy medicine psychology and folklore In each case the essence of the myth is briefly stated followed by an analysis of its origins and development and concluding with a response Given the progress of human knowledge one might have expected that such archaic thought patterns would all have withered away by now However the myths show a zombie like capacity to persist and even to revive once again after their apparent demise Accordingly this book provides not simply a historical account but is a lesson for our times

**SHEPHERDING GOD'S FLOCK** David A Swincer, 2017-08-01 The traditional pastoral role has changed over the last decades largely due to the growth of mega churches The senior pastor has tended to become more an executive leader with an emphasis on public preaching as the figurehead of a large organisation The traditional pastoral role has been superseded in large part in these situations with much of the regular pastoral role being performed by a range of associate pastors elders with a primary function as pastors with little if any preaching component In the past many churches did not have any pastoral assistance and often the pastor was assisted by deacons performing de facto pastoral roles whilst also performing the normal administrative functions usually ascribed to deacons This has meant that often the expectancy of performing this de facto pastoral role has led to a more selective process for choosing deacons often precluding some well equipped and gifted men from a serving ministry because they did not simultaneously qualify as elders We look at the pastoral role generally but with a view to multiplying this role in order to meet the needs of growing congregations through the introduction of elders Some practical considerations are given for the transition to introduce these changes Alongside this what is the function of women in leadership ministries of the church

*Oh, Taste and See That God Is Good* Clara Johnson,2017-01-16 The reason I wrote this book Oh Taste and See That God is Good is because Ive already tasted the goodness of the Lord and he is who he says that he is an awesome mighty loving and powerful Savior Im just overwhelmed by his love and the effect that he has on people who have tasted of his goodness To me his Word is like a beautiful song or symphony played by an orchestra That is why I can put it to poetry and make it rhyme so sweetly I thank the Lord for using me to do the work that he has chosen me to do

**Reasonable and Holy** Tobias Stanislas Haller,2009-03-01 Reasonable and Holy addresses the conflict over homosexuality within the Anglican tradition demonstrating that the church is able to provide for and support faithful and loving relationships between persons of the same sex not as a departure from that tradition but as a reasonable extension of it It offers a carefully argued but accessible means of engagement with Scripture the Jewish and Christian traditions and the use of reason in dealing with the experience and lives of fellow Christians Unlike most reflections on the topic of homosexuality Reasonable and Holy examines same sex relationships through the lens of the traditional teaching on the ends or goods of marriage procreation union the upbuilding of society the symbolic representation of Christ and the Church and the now often unmentioned remedy for fornication

Throughout it responds to objections based on reason tradition and Scripture Based on a series of popular blog posts it includes a number of independent but related resources in the form of side bars and single page expansions of particular themes suitable for reproduction as handouts

**Engaging Eriugena, Eckhart and Cusanus** Donald F. Duclow,2023-09-27 Engaging Eriugena Eckhart and Cusanus contains two new essays and nine others published between 2005 and 2019 The essays explore Eriugena Eckhart and Cusanus as bold thinkers deeply engaged with their times and culture John Scottus Eriugena Meister Eckhart and Nicholas of Cusa are key figures in the medieval Christian Neoplatonic tradition This book focuses on their engagement with practical experiential issues and controversies Eriugena revises Genesis Adam and Eve narrative and makes sexual difference and overcoming it central to his Periphyseon Eckhart s Annunciation sermons urge his hearers to give birth to God s son within their lives and he develops a distinctive approach to pain and suffering His radical preaching on the Eucharist and mystical union was judged heretical but was later taken up by Nicholas of Cusa Coins and banking became key symbols in Cusanus exploration of humanity as created in God s image and he used mechanical clocks in reflecting on time and eternity Engagement also describes these thinkers reception of their predecessors and how later readers appropriated their works

Eriugena struggled with the legacy of Augustine and the Greek Fathers Eckhart's theology of suffering provoked varied responses from his students Henry Suso Johannes Tauler and the twentieth century therapist Ursula Fleming Cusanus provides the volume's lynchpin as two articles analyse his reading of Eriugena and Eckhart and a third discusses how he deftly countered Johannes Wenck's accusations of heresy The book will be of interest to students of Medieval Philosophy Theology Spirituality and their place within Cultural History What Should You Do Before the Tribulation Age of 42 Chuck Thompson, 2011-07-14 Defending Same-Sex Marriage Martin Dupuis, William A. Thompson, Traci C. West, 2006-12-30 Today we find ourselves at a crossroads of two powerful unrelenting currents that are completely at odds with one another The movement for legal recognition of same sex unions has gone beyond the separate but equal status of civil unions to demand equality in marriage for all couples Progress is being made on many fronts mayoral action clergy officiating at same sex marriage and union ceremonies state legislative responses and street protests to name a few Meanwhile opposition to same sex marriage has also been gathering strength The struggle is sure to continue unabated for some time to come pitting those who believe in the traditional definition of marriage as a union between a man and a woman and who seek to codify this belief in the U S Constitution against those who find the basis for marriage between two loving committed individuals not only in the history of our civil rights legislation and court decisions but also in scripture and sacred religious traditions Those who believe in extending to same sex couples the 1 049 rights conferred by marriage as well as the supportive embrace of religious communities seek to strengthen the institution of marriage by making it inclusive and by passing laws and broadening doctrines to uphold marriage rights for all couples This three volume set clarifies the legal political religious cultural and social ramifications of same sex marriage for gay and lesbian couples and their families and friends and for the general public interested in the future of civil rights in the United States *The Greatest Feeling in the World* Tim Sattler-Jones, Rod Sattler-Jones, 2021-11-30 Tim and Rod grew up a few suburbs from each other in Newcastle NSW They were gay but their worlds were not Before they found each other they were alone and miserable marooned in a sea of impossible expectations Rod was shackled by a conservative Christian upbringing while Tim felt unmanly and inferior beside his macho sport obsessed older brothers After enduring their own private versions of hell Tim and Rod crossed paths on a dating app They swiped for Mr Right and suddenly everything clicked Since then they have taken on the world including winning The Amazing Race in 2019 as the first married same sex couple on an Australian TV series That brought its own heat with the charismatic pair still copping homophobic hate for their public displays of affection But as their book shows when you've been to hell and back you don't let anything get in the way of *The Greatest Feeling in the World* **The Gay Man's Guide To Heterosexuality** C. E. Crimmins, Tom O'Leary, 2025-09-23 The Gay Man's Guide to Heterosexuality offers a humorous look at the strange and often inexplicable habits of heterosexuals This book not only tells you everything you need to know about the straight world and then some but answers questions that have probably been plaguing you for years like

McElvaine,2009 We re mad as Heaven and we re not going to take it anymore declares historian Robert McElvaine in this passionate and often hilarious rallying cry for sincere Jesus followers He lets us know that the extreme right wing won t be allowed to speak for all Christians any longer This polemic blends outrage and humor to expose the televangelists and the leaders of megachurches as the people Jesus warned us about The religion McElvaine calls ChristianityLite promises Be saved without sacrifice or good works Run by a crew of politicians megachurch preachers televangelists hypocrites and snake oil salesmen it has hijacked true Christianity and distorted it into something Jesus wouldn t recognize a religion that advocates war and intolerance values money above charity preaches hatred instead of brotherhood and promises true believers the keys to the gates of the kingdom of God and to the bank From publisher description **Approaching Eden** Theresa Sanders,2009-11-16 Provides historical background from Christian Jewish and Muslim perspectives to show the relevance and prominence of Adam and Eve s story in life today where we are inundated with references to the Garden of Eden in popular culture from an early age *The Love Line* John Henson,2019-06-11 The Love Line the latest book from Baptist Minister John Henson challenges traditional Christianity in its attitudes and responses to the sexual revolution of the past one hundred years From the outset the book seeks to refute the impression the churches give that the Bible is a patriarchal book and exclusively heterosexual by visiting texts that are rarely read or are frequently interpreted in a conformist way It disputes inhibitions based on fear and cultivated by a vast amount of Christians Readers will also be introduced to a new set of heroes and heroines including Ham Ishmael Tamar Zippy Michelle and Gomer The Love Line is an undeniably spiritual book which features ground breaking interpretations and aims to strengthen the reader s relationship with God
