Children of Faith Sandra L. Haner, Stacey W. Smith, 2011-04-15 If you are looking for a quality children's Bible study

with a proven track record then Stacey Smith's Children of Faith is just what you need. For many years we incorporated Children of Faith into our church's curriculum with tremendous success. The simple structure and solid biblically based lessons were easy to use and gave the children a Christian foundation for life. Stacey is a wonderful teacher, mother, and homeschooler and a superb writer you can count on. Dr. Randy Colver, author, pastor, and teacher at Coweta Community Church, I home schooled my four children for twelve years while using Stacey's Children of Faith as my Bible curriculum. The Scriptures became very practical and well understood as we studied, prayed, and used the crafts. My children used the prayer guide for years. I believe there are many more children and adults who would genuinely grow in their love and knowledge of our Lord Jesus Christ. Sharlott Williams [Better Children's Sermons](#) Bucky Dann, 1983-01-01 Children's sermons with demonstrations and outlines **Wild Truth Bible Lessons--Pictures of God** Mark Oestreicher, 2010-06-01 Here are 12 active Bible lessons for junior high Sunday school classes or youth group meetings, each one based on one of the 50 pictures of God presented in Wild Truth Journal. Pictures of God energetically, relevantly, and scripturally. The lessons are loaded with off the wall and easy to do discussion starters, video ideas, scripts, and games with a point. And of course, there are plenty of Bible passages and studies to springboard junior highers from the abstract into the concrete. As open Bibles in hand, they explore the nature of God in a lively, relevant way, then begin practicing the traits of God in their own lives. 12 lessons.
