Book 14 Mysticism HC Kurt Jurgensmeier, 2012-08-22 Does God speak to us apart from Scripture The belief that God provides us with extra biblical revelation for extra biblical decision making what we term as mega mysticism is incredibly popular Hence there are a multitude of books explaining how to hear from God Once again we go to Scripture to answer vital questions regarding how God communicates with us today and come to the following conclusions The idea that God grants extra biblical amoral revelation directly to our minds is not supported in Scripture God does not have a private personal will for our lives that we must discern outside of Scripture The translation of *paraklete* in the Gospel of John as Counselor is incorrect The wisdom we are to ask for in James 1 is entirely moral in nature as described in James 3 It does not include answers to all the questions that mega mystics claim God wants to answer Mega mysticism is leading many Christians astray in dangerous ways

The Practice of Prophecy Li Ming Dennis Lum, 2018-03-26 The charisma of prophecy is found throughout the history of the global Pentecostal movement Within the movement prophecy is seen as the communication of an inspired spontaneous revelation bringing edification to the faith community Despite its prevalence academic research has mostly focused on the biblical theological aspect neglecting the actual contemporary practice This book addresses this gap with a study on the practice of prophecy within the Assemblies of God of Singapore The book investigates the nature purpose and significance of the phenomenon It also identifies theological variables that are correlated with its practice and explicates these relationships The investigation employs the empirical theological method of Johannes van der Ven utilizing both a qualitative and a

quantitative study The results provide a rich description of the actual reception delivery and judging of prophecy Significant findings include relationships between prophecy and courage love personality types prayer types and evangelism

Binding the Strongman Apostle Magnolia M. Edwards, 2021-07-30 My assignment to write this collection of prophetic exposés on the subject of Binding The Strongman was given to me by God It is to publicly expose some of the deceitful teachings in the Body of Christ that have been planted therein by Satan one is the apostolic session of the bishops which is his attack on God's Kingdom governmental order another is his attack on God's first ranking officers His apostles as well as a number of other issues the Lord had me to address proving that His apostles are more than just a function and that His Apostles are not just a Proverb Prophetic exposés are spiritual messages given by a prophet that publicly exposes the wicked works of Satan which he has perpetrated against God's Kingdom on Planet Earth During this writing process I was spiritually confronted many times about how these messages would affect those I know and love in the various Christian ministries However the messages the Lord has given in this body of work are too precious to Him and are vital to His Body the Church therefore I dare not allow them to be squashed or silenced by the enemy For our Lord has said these truths must be delivered to and taught to this generation He does not want another generation growing up with these lies and deception of the past and that is why He is bringing correction now to His Church The lies and deceptions must be uncovered challenged and destroyed now to undo centuries of satanic anarchy in our assemblies God's Word of truth order and rulership is being restored and reestablished in His Church The purposes of these articles are that the brethren be strengthened by the teachings herein Hence I challenge you to gird up your loins with God's truth God is calling forth the apostles to take their God-ordained place as His first ranking officers in His Church and in His Kingdom We are to move forward to fulfill the mandate of God addressed in the articles written in this book **BINDING THE STRONGMAN A Collection of Prophetic Exposés**
