## **Gods Brushstrokes Discovering The Beauty In The Ten Commandments:**

God's Brushstrokes Preston Huntman, 2014-05-27 God's Brushstrokes paints a picture of the beauty of the Ten Commandments passage in Exodus 20 1-17. The reader will be guided through the original Hebrew text of this passage as well as learning an abundance of background information regarding the context of this historical event. This extensive work includes literary, textual, and historical contexts of this passage as well as comparisons to other contemporary law codes. A basic Biblical Hebrew grammar overview is provided to assist the reader in understanding the detailed Hebrew language parsing in the commentary section.

**The Anchor Course** Tom Goodman, 2007-03 When Bono explained his Christian faith to a reporter, the frontman for the band U2 said, "I'm the sort of character who's got to have an anchor. I want to be around immovable objects. If you're ready to anchor your life to something solid, this book will help." Through the pages of *The Anchor Course*, spiritual seekers can discover the meaning of Christianity, and believers can develop their understanding of the faith.

**Putting the Beauty Back in the Commandments** Jessie Partington, 2018 The purpose of this little book is to put the beauty of God back into His Ten Commandments by weaving the loveliness of God's character as described in Christ's Sermon on the Mount (Matt 23:1-11) with His Law given on Mt Sinai (Exodus 20:1-17).

*The Ten Commandments of God* Albert Joseph Mary Shamon, 2003-06 When the courts of this country banned the posting of the Ten Commandments in classrooms and public buildings, Fr. Shamon wrote *The Ten Commandments of God*. He looked at each of them and asked the question, "Why? Why must I pray? Why must I honor my father and mother? Why can't I steal, and so on?" Fr. Shamon shows that the Ten Commandments are rooted in common sense and good judgment, basically justice and rights, and defend the dignity of man and woman and are geared to protecting parents' life, spouse, property, and reputation. A nation committed to law and order is committing civil euthanasia by outlawing the Ten Commandments from the public forum. This book gives a powerful argument for the return of the Ten Commandments to our nation.

**God's Top Ten List** Glen S. Martin,1999-06 There are no absolutes Absolutely Many people in today s society believe that all truth is relative and that they have the final authority to choose for themselves what is right and wrong But that s not what God says According to the Bible God is the final authority and He has made clear how we are to live and what is right and wrong In God s Top Ten List Glen Martin takes an in depth look at the Ten Commandments He examines what God said and the reasons why He said it God is not some sort of cosmic killjoy Rather He knows our hearts and minds because He made us He knows how we operate So God put together an instruction list that if followed provides for a full life and healthy and happy relationships Learn more about your Maker and His loving plan for the people He created Study each of the Ten Commandments to discover how they were designed to show us God s character and lead us to a rich and happy life Follow the ten commandments given to Moses at Mt Sinai so many years ago You won t be disappointed *Contemplations on the Ten Commandments Vol. 1* H.H. Leininger,2007 With the Ten Commandments such an integral part of today s culture wars it would seem to be a safe assumption that most people are familiar with what the

commandments actually say Yet many surveys indicate otherwise and even when people can name all of the commandments they often misinterpret their meaning For example Do not take the Lord s name in vain has nothing to do with avoiding getting one s mouth washed out with soap Remember the sabbath day is not about going to church Honor your father and mother is not a way to get recalcitrant kids to clean up their rooms and despite what most folks think You shall not commit adultery is not primarily about sex In God of Justice David Leininger sets the record straight with a new look at this ancient document He examines the commandments in the context of today s social cultural and political environment and he concludes that rather than the traditional view of them as ironclad laws the commandments are actually God s policy statements about what is the bedrock of a good decent and just society When properly understood the commandments offer God s guidance in establishing a healthy way of life that is rewarding for everyone With discussion questions included for each chapter God of Justice is an excellent study resource for adult classes and clear and accessible reading that will be stimulating and rewarding for any thoughtful Christian David E Leininger is the pastor of First Presbyterian Church in Warren Pennsylvania He has also served congregations in North and South Carolina Georgia and Florida Prior to entering the ministry Leininger worked for almost twenty years in radio and television He is the author of A Color Blind Church and Lectionary Tales for the Pulpit Series VI Cycle A and his sermons have appeared in the Best Sermons 4 anthology Harper Collins Leininger has also been a contributing writer for the online services StoryShare and The Immediate Word [www.sermonsuite.com](http://www.sermonsuite.com)
