The Interpreter Diego Marani, 2018-05-01 The Interpreter isn't merely the sequel to *New Finnish Grammar* and *The Last of the Vostyachs* it is a singular and deeply felt thesis a warped manifesto of sorts derived from a career spent immersed in languages For Marani is up to his old tricks Like in its predecessors the novel comes dripping in satire but this time of a more avowedly self reflexive nature A primordial universal language is the trick and it is this which and it is this with which Marani's interpreter the shape shifter at the heart of this masked ball of a novel purports to have infected Felix His incomprehensible blather might in fact be the ancient language of Eden the one in which the serpent spoke to Adam Marani's ideas are typically far reaching and provocative Thea Lenarduzzi in *The Times Literary Supplement* This is more of a romp than the other two novels more comedic albeit a very dark kind of comedy part investigation into the properties of language part thriller The only lead Bellamy has is a list of seemingly random cities Vancouver San Diego Papeete Vladivostok Odessa At one point he is sent to a sinister therapeutic institution where patients are taught languages unknown to them in order to address their problems Bellamy is assigned Romanian Each language has its own therapeutic effect but English is the language of cowards and queers says an inmate angrily at one point which is certainly a new way of looking at it When we find out what links the list of cities together we realise that we have in a most enjoyable way been subject to a kind of superior shaggy dog story Marani understands the appeal of the idea of the primordial language but knows well enough that it is a Snark a chimera which is why the novel ends the way it does why it is deliberately not as haunting as *Grammar* and *Vostyachs* and also why Marani says this is the last time he'll address the subject in fiction It is excellently translated by Judith Landry who I hope is not suffering like Marani's characters Nick Lezard's *Choice* in *The Guardian*

The Celestial City Diego Marani, 2025-06-01 A young man plunges into student life in flight from an overbearing father in search of an identity of his own making He is like everyone else in his quest for a future he cannot yet understand His experiences often comic always innocently human are an exploration of the concept of boundaries But in choosing to study in Trieste a city of many layered histories and ethnicities a city of brilliant sunshine and ferocious gales he finds that life and love throw him more questions than answers It is a tale of Everyman but more than that in the hands of Diego Marani author of the celebrated *New Finnish Grammar* this

wry and affecting novel leads the reader on a nostalgic and thought provoking journey made wholly individual by its evocation of place the celestial city of Trieste I did not think that one could weep for a city But at that time I did not know that cities are women one can fall in love with them and never forget them In Diego Marani's *The Celestial City* translated by Graham Anderson Trieste provides the setting for a coming of age novel from the author of the highly acclaimed *New Finnish Grammar* The nameless hero who elects to study translation and interpreting at the University of Trieste must leave his Emilia Romagna home and the punitive asceticism of his bookish and pedantic father The intimate description of this Oedipal tussle is the best part of the work as the son struggles to meet the father's maddeningly imprecise expectations and resents the calculated tyranny of his emotional distance As was the case with Finnish in the earlier novel so is the situation with Slovene in the latest language and love for Marani are ever troublesome playmates Michael Cronin in *The Irish Times*
