

The first part of the book introduces the readers to understand the value that God placed on women, and why it's so important for women to uncover the things that society has shown them regarding their purpose, why you need to establish a healthy relationship with the Creator so he can be your guide, and how you can get your power back that the devil thinks he stole from you.

God wants and needs an open dialogue with you so you will no longer have to ask what your purpose is. As the story goes on, you learn what a good man should like to provide you with the love you so desire. No longer will you feel the need to settle, know who you are, and what is your value in Christ. Take the journey.
