## **Gods Hiddenness In Combat Toward Christian Reflection On Battle:**

**God's Hiddenness in Combat** Preston Jones, Cody Beckman, 2009-02-18 The primary question at the heart of this book is Where is God for the person in combat According to one well known saying there are no atheists in foxholes Yet it is difficult for believers in a personal and caring God to locate God's place in the world of war Another common saying that war is hell seems more accurate if one accepts the basic definition of hell as God's absence The complication here is that some combatants do sense God's presence This study draws from numerous interviews memoirs letters and archival materials and reflecting on the crucifixion of Christ to consider how God can be both present in and absent from the world of war

**Professional Journal of the United States Army**, 2010      *Military Review*, 2010-07      **Spiritual Warfare and the Armor of God** Luanne Botta, 2021-10-12 Armor Up Take Your Stand in the Word of God The Battle Belongs to the Lord Put on the full armor of God so that you will be able to stand firm against the schemes of the devil Ephesians 6:11 Have you recognized the spiritual warfare that surrounds us as Christians and as a nation We are in times that we have never known before These are not the days for casual Christianity for we are in an unseen war If we do not recognize our enemy we will misunderstand where the anger bitterness relational issues despair and fear are coming from Those who are not paying attention to the battle will be deceived in the fight God has given us His weapons to fight this spiritual war In The Armor of God The Battle Is Real The Victory Is Sure you will discover that putting on the armor of God is putting on Jesus Satan is a liar and a deceiver and he is well trained in lies and deceit Being clothed in God's armor keeps the battle where it belongs in the hands of our powerful God We can't fight a spiritual war with emotions or the flesh or we will quickly become casualties We must let our enemy know that we choose to stand our ground against his onslaught and to walk in Christ's victory every day      *Sword Fighting* Christine Dillon, 2020-07-25 Christians have the Holy Spirit's help in all areas of life so why do we still struggle Understanding spiritual sword fighting will help us win the battle for our mind so that we can distinguish between Satan's lies and God's truth This book is written for the ordinary Christian and each chapter contains testimonies and practical suggestions to address issues Christians struggle with Anger Impurity Worry Low self esteem Fear Discouragement and depression Doubt Withstanding direct spiritual attack Guilt Bitterness and resentment Christine Dillon has applied these lessons in her own life A missionary since 1999 she has passed on these principles to many people she has disciplined people in both Western and non Western contexts Apply God's word to take captive the lies that repeatedly sabotage you and make you feel a failure      **The Christian Art of War** Ivor Myers, 2008-01-01 His father a career soldier Ivor Myers grew up in a culture of warfare From his childhood into his adult years he practiced the art of hand to hand combat training in the martial arts But when he put his faith in Christ Myers put away the weapons of this world and began training for a different kind of conflict that all Christians must surely face the war against self Now using a unique refreshing but biblical approach Pastor Myers shares the powerful lessons to help conquer the enemy within each of us Using military

strategy combat training techniques and even the laws of nature and of the animal kingdom Myers uncovers the secrets of experiencing lasting victory in the fight of faith What is the difference between a civilian and a soldier in the battle against self How do the laws of motion gravity and heat reveal vital keys to gaining victory over sin You ll learn all this and more to ultimately discover how Jesus Christ can help you become a master warrior in every facet of your life Whether you struggle with pornography impure thoughts drug addictions or any other sin that burdens your hearts The Christian Art of War will encourage you These lessons will teach you to fight honorably courageously and by the grace of God become more than conquerors Romans 8 37 KJV

**Armor of God** Daniel Boehm, 2017-03-23 You're in a war fighting a battle and you may not even know the battle is for your mind This is a study guide to teach you about the armor of God how it works to protect and strengthen you and how to put it on It teaches that you are in a strategic battle that is raging all around you and me and everyone else The book states that you don't have to be afraid you can become prepared for not only helping yourself but others To help those who don't yet know they are in a battle for their very lives and those who are afraid to stand for themselves This is not about religion or religious interpretation It is about the truth that can only come from spiritual awakening

God of War, Arise! Archbishop Gloria Grace, 2017-01-21 The strategies of the enemy in battles against the people of God over the years have been similar He is threatened by the people and the nations that belong to God He is also threatened by those who declare the will and the counsel of God on Earth through the preaching of the gospel of the Lord Jesus Christ So he attacks enslaves intimidates terrorizes and also tries to kill them In all these ways he never stops until God intervenes for His people when they cry out to Him in prayers The Lord did not leave us at the mercy of the enemy in any battle He is the captain our warfare and He has all the needed strategies for us to undertake in every battle Each battle has a needed strategy from the Lord with which we can win our victory In the old times the Lord gave His people peculiar strategy for each battle and as the people of God follow divine instruction for each battle they had overwhelming victory This book looks into various battles the through which the Lord led His people and how following divine battle plans led them to vast victories The same principle applies to us today It is only when we seek the Lord for victory in our battles and align ourselves to His battle plans that we have great victories

The Battle is the Lords Tony Evans, 2008-09-01 Do you want to be challenged to deepen your understanding of the characteristics and requirements of Almighty God The Understanding God Series contains the bulk of Pastor Tony Evans compelling and hard hitting resources on the essentials about God Jesus Christ the Holy Spirit Spiritual Warfare and prophecy Now available in paperback readers will not want to be without a single book in the series by this popular and powerful speaker and author Just because many of us ignore spiritual warfare does not mean we're not in an intense battle Tony Evans tackles this difficult and theologically complex issue with the intensity skill and biblical foundation readers have come to expect He systematically reveals Satan's strategies and helps readers fight back

**The Lord is a Man of War** Dr. D. K. Olukoya, 2016-03-18 The reason why many people have lived as spineless weaklings

who always run away whenever there is little threat from the camp of the enemy could be traced to their ignorance of God's power. Nobody can truly know God as a man of war and fail to experience victory in life's battles. Get to see the Lord as a man of war. *Battle Cry* Bruce Dillender, 2019-07-23 When it comes to God and spirituality we all have our personal opinions and beliefs. If you believe in God, open your heart and mind because there's so much more to discover and learn. If you don't believe in God but would at least agree there has to be more to life than what meets the eye, why not explore the possibility of God? What do you have to lose? What might you gain? Considering how often we are shocked, disgusted, sickened, and horrified by another mass shooting, the existence of evil can no longer be denied. Even law enforcement and the media refers to these horrific acts as acts of pure evil. Then when we look at the condition of our personal lives, the lives of those we care about, our family, our communities, our cities, and the nation, we can no longer ignore the evidence of the battle that exists between good and evil. We are in desperate need of a spiritual awakening. Our awareness and acknowledgment of the Spirit is the difference between living a life of spiritual defeat or spiritual victory. Our spirituality and our dependence on the Spirit affects our personal health and spiritual development. Based on what you are experiencing in your personal life, are you in need of a spiritual awakening? Then *Battle Cry* could be exactly what you need at precisely the right time. When it comes to God, nothing is by chance, so by virtue of the fact you are in possession of this book, you are one of the countless reasons why it was written.

*God's Unfolding Battle Plan* Chuck Pierce, 2010-10 A Field Manual for Advancing the Kingdom of God. Chuck Pierce will continue to empower Christians to face the exciting present and future for the Church that he began to lay out in *The Future War of the Church*. Yes, we are in the midst of a battle that will only increase in strength, but the victory has already been promised. Outlining the next 7-year period of spiritual war, 2008-2015, Pierce shows how God will advance His kingdom, causing the faithful to rise up and God's will to be done here on Earth as it is in Heaven. *God's Unfolding Battle Plan* offers a glimpse into what's ahead, as well as encouragement to triumph over the attending forces of lawlessness, hopelessness, and violence. Discover what God has said to Pierce about the upcoming period and learn how to prosper through strategic intercession, worship, warfare, and a powerful new weapon of intercession: the four watches of the night. *Battle Wisdoms* Marie Broussard Nutter, 2017-01-17 You will discover the seven God-given prime directives to keenly observe while going through any conflict. These directives will help you keep focus as the battle rages on. Learn what every Christian's battle cry should always be, no matter what the situation. Knowing the right questions to ask the Lord in prayers during any spiritual battle is key. The author reveals these crucial questions to help you advance to the next level of battle that awaits you.
