How low or no expectations may benefit some children as illustrated by an absence of familial expectations that freed Yong to explore and discover a love of language, reading, and writing. Students' potential to find and take advantage of opportunities. How Yong discovered, explored, and pursued opportunities others failed to see in order to become internationally recognized as a researcher, professor, and writer. Why Yong's publications and perspective challenge many of the current orthodoxies in education, especially regarding how to improve the learning of students living in low wealth communities. Contents: Preface, Introduction, Chapter 1: The Boy From Sichuan Province, Chapter 2: The Budding Scholar, Chapter 3: The Traveler, Chapter 4: The Entrepreneur, Chapter 5: The Breadwinner, Chapter 6: The Global Citizen, Chapter 7: The Distinguished Professor, Chapter 8: Themes in Yong's Thinking and Writing, Epilogue, Endnotes, Index.

**William L. Rowe on Philosophy of Religion** William L. Rowe, Nick Trakakis, 2017-05-15 William Rowe is one of the leading thinkers in contemporary philosophy of religion. Although he is best known for his contributions to the problem of evil, he has produced innovative and influential work across a wide array of subjects at the interface between philosophy and religion. He has, for example, written extensively on the existentialist theologian Paul Tillich on the challenging problem of divine freedom and on the traditional arguments in support of the existence of God. His work in these areas is distinguished by its clarity, rigour, originality, and sensitivity towards the claims of his theistic opponents. Indeed, Rowe's work has played a pivotal role in the remarkable revival of analytic philosophy of religion since the 1970s. The present collection brings together for the first time Rowe's most significant contributions to the philosophy of religion. This diverse but representative selection of Rowe's writings will provide students, professional scholars, as well as general readers with stimulating and accessible discussions on such topics as the philosophical theology of Paul Tillich, the problem of evil, divine freedom, arguments for the existence of God, religious experience, life after death, and religious pluralism.
