

A low-angle, close-up shot of a soldier's helmet and the side of their face. The soldier is wearing a dark, textured helmet and a dark jacket. They are looking upwards and to the right, through a dense forest of tall, thin trees with green and yellowing leaves. The lighting is natural, suggesting daylight filtering through the canopy.

Peace Is a Shy Thing Alex Vernon,2025-05-27 The first literary biography of Tim O'Brien the preeminent American writer of the war in Vietnam and one of the best writers of his generation drawing on never before seen materials and original interviews *Vietnam made me a writer* Tim O'Brien Featuring

over one hundred interviews with family friends peers and others not to mention countless exchanges with Tim O'Brien himself *Peace is a Shy Thing* provides a nearly day by day gripping account of O'Brien's thirteen months as an infantryman in Vietnam and gives equal diligence to reconstructing O'Brien's writing process This meticulously researched biography explores the life and journey that turned O'Brien into a literary icon and a household name It includes an unpublished short story about O'Brien from a college girlfriend documentation of his comical involvement with the Washington Post's coverage of Watergate and a 1989 attic exchange between American and Vietnamese writers on the eve of the publication of O'Brien's most beloved book *The Things They Carried* years before the two countries normalized relations *Peace is a Shy Thing* is as much a history of the era as it is a story of O'Brien's life from his small town midwestern mid century childhood to winning the National Book Award and his status as literary elder statesman A story which Vernon a combat veteran of the Persian Gulf War and a literary scholar trained by officers and professors of the Vietnam era is uniquely suited to tell **The**

Young, 2017-01-15 You can tell a true war story if you just keep on telling it Tim O'Brien writes in *The Things They Carried* Widely regarded as the most important novelist to come out of the American war in Viet Nam O'Brien has kept on telling true war stories not only in narratives that cycle through multiple fictional and non fictional versions of the war's defining experiences but also by rewriting those stories again and again Key moments of revision extend from early drafts to the initial appearance of selected chapters in magazines across typescripts and page proofs for first editions and through continuing post publication variants in reprints *How to Revise a True War Story* is the first book length study of O'Brien's archival papers at the University of Texas's Harry Ransom Center Drawing on extensive study of drafts and other prepublication materials as well as the multiple published versions of O'Brien's works John K. Young tells the untold stories behind the production of such key texts as *Going After Cacciato* *The Things They Carried* and *In the Lake of the Woods* By

reading not just the texts that have been published but also the versions they could have been Young demonstrates the important choices O'Brien and his editors have made about how to represent the traumas of the war in Vietnam The result is a series of texts that refuse to settle into a finished or stable form just as the stories they present insist on being told and retold in new and changing ways In their lack of textual stability these variants across different versions enact for O'Brien's readers the kinds of narrative volatility that is key to the American literature emerging from the war in Vietnam Perhaps in this case you can tell a true war story if you just keep on revising it

War in Tim O'Brien's *The Things They Carried*
Gary Wiener, 2011-06-13 This did not happen is a common refrain throughout the stories in *The Things They Carried* Tim O'Brien's account of the Vietnam War purposely blurs the line between fact and fiction to get closer to the truth of what soldiers actually experienced This compelling volume explores the life of Tim O'Brien and his attempts to wrestle with the trauma and shame of war in *The Things They Carried* A collection of related essays explore topics such as the moral complexity of war writing as a path to spiritual redemption and the novel's portrayal of gender Contemporary perspectives on war such as the need to help soldiers suffering from PTSD and not repeating the mistakes of Vietnam are also presented

Vietnam War Stories Tobey C. Herzog, 2017-01-27 The Gulf War and its aftermath have testified once again to the significance placed on the meanings and images of Vietnam by US media and culture Almost two decades after the end of hostilities the Vietnam War remains a dominant moral political and military touchstone in American cultural consciousness *Vietnam War Stories* provides a comprehensi

Falling After 9/11 Aimee Pozorski, 2016-04-21 *Falling After 9/11* investigates the connections between violence trauma and aesthetics by exploring post 9/11 figures of falling in art and literature From the perspective of trauma theory Aimee Pozorski provides close readings of figures of falling in such exemplary American texts as Don DeLillo's novel *Falling Man* Diane Seuss's poem *Falling Man* Jonathan Safran Foer's *Extremely Loud and Incredibly Close* Fr d ric Briegleb's *Windows on the World* and Richard Drew's famous photograph of the man falling from the World Trade Center *Falling After 9/11* argues that the apparent failure of these texts to register fully the trauma of the day in fact points to a larger problem in the national tradition the problem of reference of how to refer to falling in the 21st century and beyond
