Going To Chicago A Novel:

Going to Chicago Rob Levandoski, 1997 A comedy on a trio of farm boys who drive to Chicago to see the marvels of the 1934 world fair On the way they are abducted by a couple of gangsters a man and a woman and are enrolled in a crime spree which ends in a shootout A first novel The Chicago of Fiction James A. Kaser, 2011 The importance of Chicago in American culture has made the city's place in the American imagination a crucial topic for literary scholars and cultural historians While databases of bibliographical information on Chicago centered fiction are available they are of little use to scholars researching works written before the 1980s In *The Chicago of Fiction A Resource Guide* James A Kaser provides detailed synopses for more than 1 200 works of fiction significantly set in Chicago and published between 1852 and 1980 The synopses include plot summaries names of major characters and an indication of physical settings An appendix provides bibliographical information for works dating from 1981 well into the 21st century while a biographical section provides basic information about the authors some of whom are obscure and would be difficult to find in other sources Written to assist researchers in locating works of fiction for analysis the plot summaries highlight ways in which the works touch on major aspects of social history and cultural studies i e class ethnicity gender immigrant experience and race The book is also a useful reader advisory tool for librarians and readers who want to identify materials for leisure reading particularly since genre juvenile and young adult fiction as well as literary fiction are included *Chicago by the Book* The Caxton Club, 2018-11-20 Despite its rough and tumble image Chicago has long been identified as a city where books take center stage In fact a volume by A J Liebling gave the Second City its nickname Upton Sinclair's *The Jungle* arose from the midwestern capital's most infamous industry The great Chicago Fire led to the founding of the Chicago Public Library The city has fostered writers such as Nelson Algren Saul Bellow and Gwendolyn Brooks Chicago's literary magazines *The Little Review* and *Poetry* introduced the world to Eliot Hemingway Joyce and Pound The city's robust commercial printing industry supported a flourishing culture of the book With this beautifully produced collection Chicago's rich literary tradition finally gets its due *Chicago by the Book* profiles 101 landmark publications about Chicago from the past 170 years that have helped define the city and its image Each title carefully selected by the Caxton Club a venerable Chicago bibliophilic organization is the focus of an illustrated essay by a leading scholar writer or bibliophile Arranged chronologically to show the history of both the city and its books the essays can be read in order from Mrs John H Kinzie's 1844 *Narrative of the Massacre of Chicago* to Sara Paretsky's 2015 crime novel *Brush Back* Or one can dip in and out savoring reflections on the arts sports crime race relations urban planning politics and even Mrs O Leary's legendary cow The selections do not shy from the underside of the city recognizing that its grit and graft have as much a place in the written imagination as soaring odes and boosterism As Neil Harris observes in his introduction Even when Chicagoans celebrate their hearth and home they do so while acknowledging deep seated flaws At the same time this collection heartily reminds us all of what makes Chicago as

Fiction or Prophecy Angelo Thomas Crapanzano,2017-03-15 The idea for *Fiction or Prophecy* was born through a casual discussion with a neighbor in the author s family room The discussion was based on the news that one of the terrorists claimed that they were secretly developing a backpack nuclear bomb and planned on bombing ten of our largest city Our officials wrote it off as an idle threat and that they could never get ten nuclear backpacks into the country The neighbor questioned how they could say that when a million Mexicans cross our borders daily with backpacks of drugs weapons and personal items Having been in the scientific field and seeing how electronic technology had exploded during his life time the author had no doubt that it was a matter of time and that terrorist would not hesitate to use it He wonder what would happen if the terrorist was telling the truth This enticed the author to write a novel on this threat Is this novel purely fiction or is it a prediction of what was to come In the novel Mike met Sarah on the road to Chicago She was having auto trouble He stopped to help her Since he couldn t fix it he took her to an auto shop in next town Since her car couldn t be fixed in an acceptable time Mike offered to give her a ride to Chicago This delay saved their lives but also put them on the road of deadly danger
