The Copper Beech Maeve Binchy, 2007-09-04 NEW YORK TIMES BESTSELLER The Copper Beech is as soothing as a cup of tea People In the little Irish town of Shancarrig the young people carve their initials and those of their loves into the copper beech tree in front of the schoolhouse But not even Father Gunn the parish priest who knows most of what goes on behind Shancarrig s closed doors or Dr Jims the village doctor who knows all the rest realize that not everything in the placid village is what it seems Unexpected passions and fears are bringing together many lives such as the sensitive new priest and Miss Ross the slight beautiful schoolteacher Leonora the privileged daughter of the town s richest family and Foxy Dunne whose father did time in jail and Nessa Ryan whose parents run Ryan s Hotel and two very different young men For now the secrets in Shancarrig s shadows are starting to be revealed from innocent vanities and hidden loves to crimes of the heart and even to murder Praise for The Copper Beech A book with a difference You ll take it home to lend to your best friend The New York Times Book Review Binchy makes you laugh cry and care Her warmth and sympathy render the daily struggles of ordinary people heroic and turn storytelling into art San Francisco Chronicle The Copper Beech finds author Maeve Binchy at her Irish storytelling best Cleveland Plain Dealer *Farm Animals* Tammy J. Tyme's End B.R. Collins,2011-01-03 Bibi feels out of place everywhere everywhere that is except for Tyme s End the deserted house that she breaks into when she thinks nobody is nearby There she unexpectedly meets Oliver Gardner the owner of the house who s just returned after ten years away Their story and the story of Oliver s grandfather becomes inextricably entwined linked as they are by Tyme s End itself For Tyme s End is more than just a deserted house It is a house that by turns can be romantic beguiling sinister and malevolent It is a house that had a cruel and manipulative owner And anybody who enters Tyme s End must prepare themselves for terror Part mystery part psychological thriller set in the present yet with forays into the past this is a cleverly ambitious novel that makes for a compulsive and gripping read

Struggle for Power the Longest School Strike Leon Bock Kavunedus, Dr,Leon Bock,2011 Two people participating in the same events yet on opposite sides give an engrossing view of a struggle which engulfed a large community in northern Westchester County in New York State It became the longest teachers strike in New York State s history Even though they are personal memoirs both authors try to give as full a picture of the personalities institutions and issues driving the struggle as each experienced it The narrative is in two parts side by side and event by event Both are impressionistic accounts that do not claim to be objective Dr Leon Bock s account is the viewpoint of a leader of a major institution the Lakeland School District In representing the district he had the heavy responsibility to merge the interests of students and parents faculty the taxpaying community and the Board of Education Mr Thomas Kavunedus a faculty member served as a negotiator for the Lakeland Federation of Teachers He saw his responsibilities as extending to the promotion of learning and teaching environment which would foster excellence The contract with the school district which Mr Kavunedus had participated in promulgating years earlier was a major step in raising teachers out of the dark ages of coffee in the boiler room and hopefully greater professionalism Both authors disagree with one another on many of the issues Most of these issues bedevil our schools today Yet there is enough civility to recognize that partisanship need not be so all engulfing that it demonizes the other side and its objectives No narrative of such a complex event can be totally accurate and objective The authors try to focus on the interpersonal relationships rather than serve as a textbook history of this series of complex events There is no intention to discredit or malign any of the personalities in the narrative rather they are presented as the writers experienced them under conditions of stress

My Garden World Monty Don,2020-09-17 THE SUNDAY TIMES BESTSELLER BEST GARDENING BOOKS OF 2020 Sunday Times Every page a joy

NIGEL SLATER From a very early age I loved the countryside as much as any garden and was fascinated by the life that I

saw all around me from trees wildflowers birds insects and mammals In a sense this book has been over sixty years in gestation I have kept notebooks and journals ever since I could write and I have drawn upon these as well as the events of the past year Spend a year with Monty Don My Garden World is a celebration of every living creature and the natural world that we all share Recent times have given us the enforced opportunity to learn more about the fascinating natural world around us Whether you live in the countryside or the town Monty's observations and insights are relevant to each and every one of us My Garden World is Monty Don's personal journey through the natural year month by month season by season observed from the immediate world around him Wildlife is not something that we watch happening in remote and exotic parts of the world on our screens but right here in our own back yards and the more that we encourage it and learn to live with it the more rewarding it becomes If in our own modest back yards we can help preserve and treasure our natural world then we will make the world a better place not just for ourselves but for every living creature

A Long Walk Home Judith Tebbutt, 2013-07-01 This is the story of how over a period of one hundred and ninety two days I was torn away from the life I knew and loved and dragged down to the depths of despair of how I endured enforced isolation and near starvation at the hands of Somali pirates and of how I made a choice to survive by any and all means that I could muster In September 2011 Judith Tebbutt and her husband David set out on an adventurous holiday to Kenya A couple for thirty three years they had first met in Zambia Africa had played a major part in their life together After a joyous week on safari in the Masai Mara they flew on to a beach resort forty kilometres south of Somalia And there in the early hours of 11 September tragedy struck them Judith was torn away from David by a band of armed pirates dragged over sea and land to a village in the arid heart of lawless Somalia and there held hostage in a squalid room a ransom on her head There too she learned the terrible truth that the responsibility of securing her release now rested with her son Ollie But though she was isolated intimidated and near starved Judith resolved to survive walking endless circuits of her nine foot prison trying to make her captors see her as a human being keeping her faith at all times in Ollie Powerful moving and at times quite devastating this is Judith Tebbutt's story in her own words It is a memoir of the life she shared with her beloved husband an unflinching account of the ordeal that overturned her world and a testament to the inner resilience and familial love that sustained her through captivity There is nothing so bad in life as to have no hope to believe you have been defeated to give in to that Now that I found myself in confinement four thousand miles from home under a hostile sky I would not accept that fate for myself
