LaBoube,2013-07-09 Now the 1 diet of 2016 ranked by Consumer Affairs Magazine HCG 2 0 written by Dr Zach LaBoube
founder of InsideOut Wellness and Weight Loss is a contemporary ketosis based version of the original HCG diet Medicine is
called a practice for a reason As new technology and research becomes available treatment protocols evolve always for the
better Shouldn t the HCG diet be the same First published in 1954 the traditional HCG diet as seen on many of your favorite
daytime TV shows including Dr Oz has helped millions achieve weight loss success However the strict tone and outdated
calorie recommendations make the diet far more difficult than it needs to be While the concepts and theory that inspired the
traditional diet are still very relevant the protocol itself is still stuck in the 50s and in dire need of revision Introducing HCG 2
0 the first diet of it s kind that is more about calorie replacement rather than calorie restriction HCG 2 0 utilizes current
research into a variety of topics such as low carb ketosis dieting the high protein fat diets of Inuit Cultures and innovative
new food statistics such as Estimated Glycemic Load Fullness Factor and Caloric Ratios to add smart calories to the diet thus
making it a safer more realistic weight loss option for the working adult HCG 2 0 uses a BMR Basal Metabolic Rate
calculation to determine the amount of calories you re allowed to consume This is a significant variation from the traditional
diet that only allows each dieter only 500 calories per day whether male or female big or small HCG 2 0 also uses basic food
chemistry to give you a wider variety of protein options and increases portion sizes of items higher in nutritional value but
void of empty calories that only contribute to weight gain Whether you re looking to lose weight or simply eat healthy HCG 2
0 will accommodate Understand Ketosis and the benefits to low carb living Learn the difference between positive calories
and negative calories Understand how to cut your caloric intake by 200 300 calories per day by simply addressing unnoticed
habits and much more Don t beat yourself up with the traditional HCG diet There s a smarter way to lose **Hcg Diet**
