Head Over Heels Wives Who Stay With Cross Dressers And Transsexuals Human Sexuality:

Head Over Heels Virginia Erhardt, 2014-01-14 Candid first hand accounts of couples who stay together despite highly emotional gender issues *Head Over Heels* gives voice to thirty ordinary women who live extraordinary lives as partners to crossdressers transgenderists and male to female transsexuals These unique women discuss with honesty and great candor how they first learned of their partners gender issues how they ve coped with the emotions that followed how they ve dealt with concerns about privacy secrecy and how they ve handled disclosure to children friends and family members Far from a collection of happily ever after stories these narratives are filled with pain courage curiosity and joy as each woman struggles to redefine a relationship that includes intimacy social acceptance dignity and respect The women whose stories are featured in *Head Over Heels* didn t know their partners were gender variant when they first met Some found out early on others learned of their husbands gender variance after decades of marriage Some were told by their husbands men they considered regular guys others found out on their own sometimes in shocking ways Their stories represent a wide spectrum of women s life experiences with crossdressers transgenderists transsexuals who are nonoperative pre operative and post operative families without children families with children at home and families with children who have left home But these women share one thing in common each has decided to stay in her relationship exploring her new life with an open yet cautious heart Some of the voices heard in *Head Over Heels* While putting my clothes on I found a sales receipt on the bureau from K Mart for shoes a bra and stockings My immediate thought was that my husband had a girlfriend He dressed for me one night and it was the worst experience of both our lives I was shocked and he knew it and that hurt him My siblings had been aware of Trish s transsexualism for several years when she went full time They have told me that while I will always be welcome in their homes Trish is not My husband may think differently but I do have a sexual identity Actually I m real clear about it I am a woman and he is a man I do not allow him to crossdress in the bedroom I married a man therefore I will sleep with a man *Head Over Heels* also includes historical and current information about resources and support for wives of gender variant people and a substantive introduction that includes basic information about sexual and gender identity and related issues

Male Bodies, Women's Souls LeeRar Costa, 2013-01-11 Get a detailed look at the Thai sex gender system through analysis of the personal stories from transgendered youth in Thailand The Thai term sao braphet song a second type of woman describes males who reject the gender of masculinity for femininity *Male Bodies Women s Souls Personal Narratives of Thailand s Transgendered Youth* uses the narrative method stories in the words of these second type of women to analyze these transgendered experiences This previously ignored perspective of the Thai sex gender system gained through this theoretical and methodological approach offers students and general readers a rich more readily accessible foundation of knowledge about gendered subjectivity and sex gender systems *Male Bodies Women s Souls Personal Narratives of Thailand s Transgendered Youth* features in depth autobiographical life histories from individual Thai transgendered youth Life stories

told in the participants own words provides an engaging at times touching always insightful look at Thai culture s sex gender system The authors then expertly analyze the narratives to illuminate common themes and constructions within this group allowing an opportunity for contrast and discussion on transgender experiences in other nations Male Bodies Women s Souls Personal Narratives of Thailand s Transgendered Youth analyzes the major themes in the stories including identities definitions and descriptive labels etiologies of saobaphet songness the notion of acceptance narrator motivations for participating in the project Male Bodies Women s Souls Personal Narratives of Thailand s Transgendered Youth is illuminating reflective reading for educators undergraduate students graduate students researchers or anyone interested in discovering more about transgenderism in a specific cultural context

Sexual Diversity and Sexual Offending

Glyn Hudson-Allez,2018-05-01 This exciting and innovative book assists health practitioners in understanding the sexual diversity that now occurs in therapeutic consultations The Internet with its anonymity and easy accessibility to all forms of sexuality and sexual behaviour including cybersex has enabled individuals to be more open and explorative in their sexual repertoire than ever before Therefore therapists can find themselves working with clients presenting issues of sexual diversity and sexual offending with the latter mistakenly being confused as synonymous with the former With this book researchers and clinicians have the opportunity to explore aspects of diverse sexual practice with which they may be unfamiliar This allows them to have confidence in understanding the issues being addressed in the consulting room and to know when the client may be crossing a line into illegal sexual behaviour In this way the method of therapy offered can be both more appropriate and more beneficial for the diverse lifestyles encountered in contemporary society

Handbook of LGBT-Affirmative Couple and Family Therapy Jerry J. Bigner,Joseph L. Wetchler,2012-05-04 The editors and contributors of this comprehensive text provide a unique and important contribution to LGBT clinical literature Spanning 30 chapters they discuss the diverse and complex issues involved in LGBT couple and family therapy In almost 15 years this book provides the first in depth overview of the best practices for therapists and those in training who wish to work effectively with LGBT clients couples and families need to know and is only the second of its kind in the history of the field The clinical issues discussed include raising LGBT children coming out elderly LGBT issues sex therapy ethical and training issues Because of the breadth of the book its specificity and the expertise of the contributing authors and editors it is the definitive handbook on LGBT couple and family therapy

Today's Transgender Realities: Crossdressing in Context Ph. D. G. G. Bolich,Gregory G. Bolich,2008-01-11 The second in a landmark five volume set by gender scholar G G Bolich this volume looks at the lives of people called transgender These people are allowed to speak for themselves in the various studies conducted with them by many scholars over the last few decades What the research reveals provides a fascinating and compelling look at a group of people increasingly visible in our society

Crossdressing in Context, Vol. 2: Today's Transgender Realities Gregory G. Bolich,Ph. D. G. G. Bolich,2007-06-19 The second volume in a 5 volume set The Context of Transgender Realities examines crossdressing as it is

experienced by crossdressers and as it is interpreted by others including researchers from a number of different disciplines Organized as answers to frequently asked questions the text covers everything from what motivates crossdressing to when it begins how it proceeds and what it means

Principles of Transgender Medicine and Surgery Randi Ettner,Stan Monstrey,Eli Coleman,2013-02-01 A comprehensive and important text for health care professionals Gender variance is widely misunderstood and few medical texts examine the social legal emotional historical biological and economic issues involved Principles of Transgender Medicine and Surgery provides medical and health care guidelines and comprehensive information on all aspects of treatment of gender diverse individuals This one of a kind resource examines a full range of relevant data important to health care professionals Each chapter addresses a different aspect of care written by an authority on that sub specialty This practical guide instructs both novices and experienced practitioners on the state of the art treatments and knowledge Principles of Transgender Medicine and Surgery presents the foremost international specialists on the issues offering their expert knowledge on the wide spectrum of issues encountered by gender diverse individuals In this handy text professionals of all types can get important information about various aspects of transgender health care This essential text is extensively referenced and includes numerous photos tables and figures to clearly illustrate information Topics in Principles of Transgender Medicine and Surgery include etiology primary medical care evidence based preventive care hormone treatment of adults and juvenile transsexual patients general principles of surgical therapy reassignment surgery mental health issues developmental stages of the coming out process reproduction issues fertility issues karyotyping and genetics intersex individuals gender identity disorders aging and the care of elderly transgender patients Principles of Transgender Medicine and Surgery is an essential guide for health care professionals educators students patients and patients families

LGBT-Parent Families Abbie E. Goldberg,Katherine R. Allen,2012-10-12 LGBT Parent Families is the first handbook to provide a comprehensive examination of this underserved area Reflecting the nature of this issue the volume is notably interdisciplinary with contributions from scholars in psychology sociology human development family studies gender studies sexuality studies legal studies social work and anthropology Additionally scholarship from regions beyond the U S including England Australia Canada and South Africa is presented In addition to gender and sexuality all contributors address issues of social class race and ethnicity in their chapters

Gender Hurts Sheila Jeffreys,2014-04-24 It is only recently that transgenderism has been accepted as a disorder for which treatment is available In the 1990s a political movement of transgender activism coalesced to campaign for transgender rights Considerable social political and legal changes are occurring in response and there is increasing acceptance by governments and many other organisations and actors of the legitimacy of these rights This provocative and controversial book explores the consequences of these changes and offers a feminist perspective on the ideology and practice of transgenderism which the author sees as harmful It explores the effects of transgenderism on the lesbian and gay community the partners of people who transgender children

who are identified as transgender and the people who transgender themselves and argues that these are negative In doing so the book contends that the phenomenon is based upon sex stereotyping referred to as gender a conservative ideology that forms the foundation for women s subordination Gender Hurts argues for the abolition of gender which would remove the rationale for transgenderism This book will be of interest to scholars and students of political science feminism and feminist theory and gender studies

Counseling Sexual and Gender Minorities Lynne Carroll, 2010 COUNSELING SEXUAL AND GENDER MINORITIES Lynne Carroll This text is a practical accessible and comprehensive resource on counseling sexual and gender minorities It offers readers broad and inclusive coverage of current theory research and counseling applications for use with sexual and gender minority clients With an emphasis on applying theory to practice the book contains experimental learning activities practical resources current strategies and interdisciplinary insights making this text a vital resource for students seeking complete training in gay lesbian bisexual and transgendered counseling issues

UNIQUE FEATURES Coverage of sexual as well as gender minorities helps students learn to counsel clients who are not only gay lesbian or bisexual but also transgendered or transsexual Coverage of advocacy and social justice empowers readers with specific strategies to participate in social advocacy for marginalized minorities Case studies located throughout the book allow students to understand practical applications of theory through real life examples An array of creative learning activities including film assignments with corresponding discussion questions self reflection exercises and role playing activities promote self reflection and critical thinking about issues that are the source of continued debate and controversy in the helping professions

WHAT REVIEWERS HAVE TO SAY This text will transform the education of students who work with GLBT issues by prioritizing the T as well as the GLB This is a volume rich with the latest research and clearly articulated approaches to working with LGBT clients In addition this text is inclusive of all types of helping professions including counseling social work and psychology It presents current controversies in an unbiased fashion opening up the way for students to reflect discuss and determine for themselves where they fall with debates Sharon Horne University of Memphis The inclusion of both sexual and gender minorities makes this text really stand out as well as its attention to diverse subpopulations including youth couples and families Julie Ancis Georgia State University The activities are excellent the self reflection activities case studies and the library media and Internet resources These are used in an excellent manner to allow the reader to apply the material Individuals using this text would be able to incorporate these activities into their classroom lessons workshop presentations and group individual counseling situations Tony Cawton Clemson University
