Far and Wide Peart, Neil, 2016-09-13 35 concerts 17 000 motorcycle miles Three months One lifetime Now in paperback In May 2015 the veteran Canadian rock trio Rush embarked on their 40th anniversary tour R40 For the band and their fans R40 was a celebration and perhaps a farewell But for Neil Peart each tour is more than just a string of concerts it s an opportunity to explore backroads near and far on his BMW motorcycle So if this was to be the last tour and the last great adventure he decided it would have to be the best one onstage and off This third volume in Peart s illustrated travel series shares all new tales that transport the reader across North America and through memories of 50 years of playing drums From the scenic grandeur of the American West to a peaceful lake in Quebec s Laurentian Mountains to the mean streets of Midtown Los Angeles each story is shared in an intimate narrative voice that has won the hearts of many readers Richly illustrated thoughtful and ever engaging *Far and Wide* is an elegant scrapbook of people and places music and laughter from a fascinating road and a remarkable life

Head Check Jack Lewis, Brian Catterton, 2014-12-05 Penned by one of the most prominent motorcycle journalists of the 21st century *Head Check* invites readers to take in the color and detail of a rider s life vividly realized richly observed and transcendently described During his tenure at *Motorcyclist* magazine Jack Lewis has touched readers around the world not only through his incandescent prose riffs and self effacing humor but also through a consistent and deeply felt humanity This collection of magazine features and columns alongside personally published web pieces and new material may be populated by motorcycles but it centers around the varied experiences of riders and their tolerant keepers in a world where risk is a bet you make with yourself for purposes that must always transcend mere recreation *Head Check* is beneath the sarcastic wit wide eyed fear profound humility and occasional descents into scatology a collection of love stories Recommended for riders readers passengers and humans
