Studyguide: Philosophy and the Christian Faith Ben Pugh, 2018-12-04 The challenges that Western culture keeps posing to the Christian faith are ever new The goal posts keep changing This study guide will equip theology students to understand the culture shaping beliefs that are driving the kinds of questions it brings to faith It will be an historical overview of the key stages in the history of Western philosophy with each section carefully tracing the genealogical line of ideas and the

Christian responses to them right up to the present day For most theology students learning abstract philosophical concepts involves literally learning a new language a language that the initiated converse in with ease but which leaves the uninitiated baffled Thus each chapter in this study guide opens with a glossary of terms Throughout the studyguide students are encouraged to reflect on the ways in which what has been learned might be applied in both explicitly theological and wider cultural contexts for example they might be asked to think of a film or book that seems to express elements of existentialism or postmodernism or to describe how something very like the extreme subjectivity of idealism can sometimes shows itself in Sunday morning worship

Bible Faith Study Course Kenneth E. Hagin, 1974 **Deliverance and Healing for All** Rev. Ibet N. Toltowicz Evangelist, 2019-09-09 He was afraid to open them but hesitantly opened his eyes at my insistence When he began to look around he could not see the spirit anywhere He continued to look all over but the spirit that had tormented and tracked him all of those long years was instantly gone Praise and glory and honor be to our God At that moment I knew that this young man realized that God's power was greater than Satan's

A Guide to the Study of the Pentecostal Movement Charles Edwin Jones, 1983 This bibliographic and organizational guide to traditional Pentecostalism includes historical information on churches associations and evangelistic and missionary agencies schools and individual proponents and critics of the movement worldwide and related bibliography Churches and other agencies are classified by doctrinal tradition More than 6 000 items are included

The Worldview of the Word of Faith Movement: Eden Redeemed Mikael Stenhammar, 2021-12-16 This volume approaches the Word of Faith as a worldview and analyses the movement through N T

Wright's model for worldview analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith. The reader receives insights into the movement's narrative, semiotic, practical, and propositional dimensions which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the world. The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden's authority and blessings. This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith's causative power to affect a direct correspondence between present reality and Eden's perfection. The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism.

Bible Prayer Study Course

Kenneth E. Hagin, 1991. These classic Bible Study Courses by Rev. Kenneth E. Hagin have been reedited to include chapter review questions to further enhance your study of God's Word. These teachings on the vital subjects of faith, prayer, the Holy Spirit, and His gifts and healing will show you how to live a life of victory and abundance. Learning how to pray effectively is one of the most important things a believer can ever do in his Christian walk. A believer cannot be successful in fulfilling God's purpose in his life if he does not know how to pray according to biblical principles. A believer's prayer life should be based and built on the Word of God. This Bible Prayer Study Course discusses many principles of prayer that are found in the Word of God. As you apply these principles in your life, you can be sure of an answer every time. Chapter titles include: Seven Steps to Answered Prayer, Praying in Jesus' Name, Praying for Results, The Prayer of Faith, Praying With Tongues, What Jesus Said About Prayer, The Will of God in Prayer.

Times of Perseverance

Gregg L. Grossman, 2021-07-12. *Times of Perseverance: Hope and Healing on the Battlefields of Life* is a gripping narrative chronicling a Jewish man's tenacious survival from personal and family traumatic brain injury while capturing a transparent glimpse into the soul of a wounded man. His brother's severe traumatic brain injury reveals that God leads a person to himself in times of tragedy. Moreover, his near-death experience, which was a result of human error, teaches about God's forgiveness from Scripture. This is not only a story of a Jewish man coming to faith in Jesus Christ and his theological progression to becoming a Messianic Jew; rather, it encapsulates a genuine longitudinal account of overcoming life adversity and grief while providing hope, encouragement, and inspiration to the wounded of society. Gregg's experiential account of loss from the coronavirus breathes comfort into the wearied soul, contemplating meaning to life in this twenty-first century postmodern era. Hence, this poignant story inspires the reader to acquire life purpose and experience restoration on their battlefields of life.

about Divine Healing Kenneth E. Hagin, 1979. *Seven Things You Should Know About Divine Healing* shares powerful

scriptural truths that prove it is God's will to heal *Field Guide to the Wild World of Religion* Pamela Dewey, 2013-02 The American religious scene in 1955 was a very tame and predictable world It matched the tame predictable world of women's clothing where most women going out shopping wore a dress with coordinating gloves hat and shoes And it matched the tame predictable world of children's toys where almost every young girl yearned for a baby doll that said Ma Ma and almost every boy needed a coonskin cap Choices of fashions toys preachers and churches were limited and domesticated Fifty years later the tame predictable world of 1950s fashions and toys is long gone Women go shopping in everything from sweatshirts and jeans to tube tops and short shorts And both boys and girls want the latest Sponge Bob Square Pants video game The same kind of transformation has gone on in the world of religion It is no longer tame and predictable either Welcome to the Wild World of Religion of the 21st Century Explore its habitats identify some of the inhabitants and learn about their characteristics and customs in this Field Guide **The Cross of Christ** John Stott, 2021-04-13 The Cross is the universal symbol of the Christian faith But what does the Cross mean Why did Jesus have to die In this magisterial and best selling book John Stott unpacks the significance of Christ's cross and answers objections commonly brought against biblical teaching on the atonement Stott will help you discover how Jesus himself understood the cross and how Christ in our place is at the heart of its meaning Understand what the cross achieved and learn what it means to live under the cross This modern classic combines excellent biblical exposition and a characteristically thoughtful study of Christian belief with a searching call to the church to live under the cross **Word and Power** Gareth W. D. Stewart, 2015-02-16 Historically the Reformed and Charismatic streams have seemed to be almost mutually exclusive In recent years this exclusivity has been being challenged by a new generation of Reformed thinkers This work aims at considering the contribution of John Wimber the late leader of the Vineyard Churches to contemporary theological reflection within the Reformed tradition Taking into account John Wimber's unique theology of the radical middle which is somewhere between Pentecostal and Evangelical this book asks whether Wimber may be a possible alternative source for the contemporary Reformed Churches as they approach ministry and mission in the twenty first century Written from a confessional Presbyterian context in Northern Ireland Word and Power places Wimber in his theological context and asks whether Wimber's view of power evangelism discipleship formation and ministry training might be a model that Reformed Churches and Presbyterians in particular could adopt for their ecclesiology today **Casting Your Cares Upon the Lord** Kenneth E. Hagin, 1981-11 Believers were meant to live free of the cares of this world This book reveals ways to overcome the worry habit and walk in faith by obeying God's Word **Books Out Loud**, 2007
