Health At A Glance 2013 Oecd Indicators:

Health at a Glance 2013, 2013 *Education at a Glance 2013 OECD Indicators* OECD, 2013-06-25 *Education at a Glance* OECD Indicators is the authoritative source for accurate and relevant information on the state of education around the world. It provides data on the structure, finances and performance of education systems in more than 40 countries. [Government at a Glance 2013](#) OECD, 2013-11-10 *Government at a Glance 2013* provides readers with a dashboard of key indicators assembled with the goal of contributing to the analysis and international comparison of public sector performance.

Environment at a Glance 2013 OECD Indicators OECD, 2013-12-19 This book includes key environmental indicators that reflect environmental progress made since the early 1990s and thus contribute to measuring environmental performance. **Health at a Glance 2005 OECD Indicators** OECD, 2005-11-09 This third edition of *Health at a Glance* OECD Indicators 2005 provides the latest comparable data and trends on different aspects of the performance of health systems in OECD countries. **Health at a Glance 2013** Organization for Economic Cooperation and Development, 2013 The 2013 edition of *Health at a Glance* provides the latest comparable data on different aspects of health system performance in OECD countries. It provides striking evidence of large variations across countries in the costs, activities and results of health systems. Key indicators provide information on health status, the determinants of health, health care activities and health expenditure and financing in OECD countries. Each indicator in the book is presented in a user-friendly format consisting of charts illustrating variations across countries and over time, brief descriptive analyses highlighting the major findings conveyed by the data and a methodological box on the definition of the indicator and any limitations in data comparability. *World Scientific Handbook Of Global Health Economics And Public Policy (A 3-volume Set)* Richard M Scheffler, 2016-01-28 Understanding global health economics and policy has never been so important.
