A Short Introduction to Jamu, the Indonesian Traditional Way to Beauty, Health & Happiness Jaya Suprana, 1994* **Jamu Lifestyle** Metta Murdaya, 2021-06-22. *Jamu* is the herbal medicine tradition of the Indonesian archipelago. Born from disparate influences brought by traders to this crossroads of Asian commerce over the centuries, *jamu* has developed into a sophisticated suite of nutritional supplements incorporated into cuisine, beauty rituals, and healing agents, all proven effective by empirical research. But *jamu* is more than brightly colored powders and tonics. *Jamu Lifestyle* is your gateway to entering a vibrant community devoted to self-care, a joyous and transformational world of wellness.

Jamu: The Ancient Indonesian Art of Herbal Healing Susan-Jane Beers, 2012-09-10. Indonesian *jamu*, part of an integrated system of inner and outer health and beauty encompassing powders, pills, ointments, lotions, massage, and ancient folklore, is unknown to most Westerners. How, when, where, and why were these treatments developed? And what is so special about them? Through the pages of this book, you will learn about the closed world of ancient Javanese palaces where Indonesian *jamu* was perfected. You meet the healers and *jamu* makers whose skills have been passed from generation to generation and learn about their cures. Advice is offered on where to find these age-old remedies, including formulae that can be made safely at home. The information here is for people who wish to find out more about Indonesian health and beauty, draw their own conclusions, and even try *jamu* for themselves. An integrated system of inner and outer health and beauty. Indonesian *jamu* has a 1,200-year-old history, yet little is known about it outside this diverse island nation. The first book to comprehensively explore the background, materials, and application of this holistic approach. *Jamu: The Ancient Indonesian Art of Herbal Healing* is the culmination of ten years of research and more than 100

interviews with practitioners and producers from housewives in kitchen apothecaries to CEOs of multinational corporations Its publication coincides with the increasing availability in the West of modern preparations of these time honored herbal remedies Encompassing medicine massage cosmetics and folklore jamu is as applicable to today s lifestyles as it was in the rarefied world of the ancient Javanese palaces where it was perfected Complemented by explanatory photographs shot on location Jamu is the first definitive reference to this exotic yet practical healthcare system
