Harold Bloom, 2010 Joseph Conrad's novels and short stories explore the nature of narrative reality and competing notions of truth. This new volume offers a new selection of contemporary critical commentary on the author of such classic works as *Lord Jim*, *Nostromo*, and *Heart of Darkness*. This new edition also contains an introduction penned by literary scholar Harold Bloom, a bibliography, a chronology of the author's life, and an index for reference. **Heart of Darkness** Joseph Conrad, 2011-03 This volume presents the text of the 1921 Heinemann edition of Conrad's classic short novel along with documents that place the work in historical context and critical essays that read *Heart of Darkness* from several contemporary critical perspectives. The text and essays are complemented by biographical and critical introductions, bibliographies, and a glossary of critical and theoretical terms. In this third edition, the section of cultural documents and illustrations is entirely new, as are two recent exemplary critical essays by Gabrielle McIntire and Tony C. Brown that synthesize a variety of current critical approaches. **Re-imagining Africa** African Studies Association of Australasia and the Pacific. Annual Conference, 2001 This book provides a plethora of insights and perspectives that take up and challenge prevailing points of view about today's Africa. The chapters examine a number of different media and topics from African theatre to poetry, from accounts of personal history to South Africa's language policy and publishing practices. Their unifying theme is a search for tomorrow's cultural trends in an ever-changing Africa. [The Great War and Americans in Europe, 1914-1917](#) Kenneth D. Rose, 2017-03-27 This book examines the experiences of Americans in Europe during the First World War prior to the U.S. declaration of war. Key groups include volunteer soldiers, doctors, nurses, ambulance drivers, reporters, diplomats, peace activists, charitable workers, and long-term American expatriate civilians. What these Americans wrote about the Great War, as published in contemporary books and periodicals, provides the core source material for this volume. Author Kenneth D. Rose argues that these writings served the critical function of preparing the American public for the declaration of war, one of the most important decisions of the twentieth century, and defined the threat and consequences of the European conflict for Americans and American interests at home and abroad. **Textual Traffic** S. Shankar, 2001-04-19 Examines travel narratives as a genre. **The Secret Sharer and Other Stories (Norton Critical Editions)** Joseph Conrad, 2015-08-03 This Norton Critical Edition includes four stories: two set on stormy seas, two on calm seas, all four based on the same incident that speak to each other in interesting ways. The stories in this Norton Critical Edition maintain the connection and sequencing that Joseph Conrad saw among them. In his Author's Note to *Twixt Land and Sea*, Conrad writes of his two Calm pieces, *The Secret Sharer* and *The Shadow-Line*, and his two Storm pieces, *The Nigger of the 'Narcissus'* and *Typhoon*. This edition is based on the first English book edition for the stories and the first American edition for the Author's Note for *The Shadow-Line*, *Typhoon*, and *The Secret Sharer*. The stories are accompanied by explanatory annotations, a note on the texts including a list of textual emendations, and a preface. *Backgrounds and Contexts* brings together relevant correspondence and contemporary reviews from both British and American sources. Also included are documents related to

Conrad's sources for the stories among them Charles Arthur Sankey's *Ordeal of the Cutty Sark A True Story of Mutiny Murder on the High Seas* To help readers navigate the editor includes a glossary of nautical terms as well as diagrams of the kinds of ships that appear in the stories Criticism includes fifteen essays representing both new and established voices The essays are arranged by story with the focus on Conrad's major themes colonialism narrative gender and race Albert J Guerard Lillian Nayder Mark D Larabee Fredric Jameson F R Leavis and John G Peters are among the contributors A chronology of Conrad's life and work and a selected bibliography are also included Postcolonial Conrad Terry Collits, 2006-09-27 Winner of the 2006 NSW Prize for Literary Scholarship The work of Joseph Conrad has been read so disparately that it is tempting to talk of many different Conrads One lasting impression however is that his colonial novels which record encounters between Europe and Europe's Other are highly significant for the field of post colonial studies Drawing on many years of research and a rich body of criticism Postcolonial Conrad not only presents fresh readings of his novels of imperialism but also maps and analyzes the interpretative tradition they have generated Terry Collits first examines the reception of the author's work in terms of the history of ideas literary criticism traditions of Englishness Marxism and post colonialism before re-reading *Heart of Darkness* *Lord Jim* *Nostromo* and *Victory* in greater depth Collits incisive and wide ranging volume provides a much needed reconsideration of more than a century of criticism discussing the many different perspectives born of constantly shifting contexts Most importantly though the book encourages and equips us for twenty first criticism where we must ask anew how we might read and understand these crucial and fascinating novels

Quentin Tarantino's *Django Unchained* Oliver C. Speck, 2014-07-31 *Django Unchained* is certainly Quentin Tarantino's most commercially successful film and is arguably also his most controversial Fellow director Spike Lee has denounced the representation of race and slavery in the film while many African American writers have defended the white auteur The use of extremely graphic violence in the film even by Tarantino's standards at a time when gun control is being hotly debated has

sparked further controversy and has led to angry outbursts by the director himself Moreover Django Unchained has become a popular culture phenomenon with t shirts highly contentious action figures posters and strong DVD BluRay sales The topic slavery and revenge the setting a few years before the Civil War the intentionally provocative generic roots Spaghetti Western and Blaxploitation and the many intertexts and references to German and French culture demand a thorough examination Befitting such a complex film the essays collected here represent a diverse group of scholars who examine Django Unchained from many perspectives

The Psychoanalysis of Race Christopher Lane,1998 Are divisive political forces the source of the historical persistence of racism and its alarming reoccurrence in contemporary society Or are there more subtle and more intractable causes This collection of essays studies the seemingly permanent racial undercurrents of society focusing on unconscious fantasies and identities

A Companion to Modernist Literature and Culture David Bradshaw, Kevin J. H. Dettmar,2008-04-15 The Companion combines a broad grounding in the essential texts and contexts of the modernist movement with the unique insights of scholars whose careers have been devoted to the study of modernism An essential resource for students and teachers of modernist literature and culture Broad in scope and comprehensive in coverage Includes more than 60 contributions from some of the most distinguished modernist scholars on both sides of the Atlantic Brings together entries on elements of modernist culture contemporary intellectual and aesthetic movements and all the genres of modernist writing and art Features 25 essays on the signal texts of modernist literature from James Joyce's Ulysses to Zora Neale Hurston's Their Eyes Were Watching God Pays close attention to both British and American modernism

A Wilderness of Words Theodore Billy,1997 Beginning with a detailed discussion of Conrad's ambivalence toward the function of language and the meaning of fiction Ted Billy explores the problematical sense of an ending in Conrad's tales and novellas Billy demonstrates that Conrad's endings instead of reinforcing the meaning of the narrative or lending finality actually provide a contrasting perspective that clashes with the narrative's general drift
