Open Secrets Richard Lischer, 2002-07-16 Open Secrets is Richard Lischer s story of his early career as a Lutheran minister Fresh out of divinity school and full of enthusiasm Lischer found himself assigned to a small conservative church in an economically depressed town in southern Illinois This was far from what this overly enthusiastic and optimistic young man expected The town was bleak poor and clearly not a step on his path to a brilliant career It s an awkward marriage at best a young man with a Ph D in theology full of ideas and ambitions determined to improve his parish and bring them into the twenty first century and a community that is as tightly sealed as a jar of home canned pickles In their own way they welcome him and his family even though they think he s got bigger fish to fry Thus begins Richard Lischer s first year as a pastor bringing communion to the sick but forgetting to bring the wafers marrying two unlikely couples a pregnant teenager and her boyfriend and two people who can t stop fighting Often he doesn t understand his congregation and sometimes they don t understand him for instance why does his wife hire a baby sitter and instead of leaving put on her bathing suit grab a stack of novels and hide from the kids Or why can t Pastor Lischer see how important it is for a woman with little money to buy an elaborate coffin to bury her husband in There are also the moments of grace when pastor and parishioner unite for a common goal when he asks for prayers for his infant son and can feel everyone in the congregation ministering to him when old hurts are put aside to help a desperate young woman finish college and raise her baby or when he helps save a woman from dying of a drug overdose In Open Secrets Lischer tells not only his own story but also the story of New Cana and all of its inhabitants lovable deeply flawed imperfect people that stick together With his sharp eye and keen wit Lischer perfectly captures the comedy of small town life with all of its feuds rumors scandals and friendships In the end he learns to appreciate not only the life New Cana has to offer but also the people who have accepted him at last as part of themselves

Miracles Today Craig S. Keener, 2021-10-19 Do miracles still happen today This book demonstrates that miraculous works of God which have been part of the experience of the church around the world since Christianity began continue into the present Leading New Testament scholar Craig Keener addresses common questions about miracles and provides compelling reasons to believe in them today including many accounts that offer evidence of verifiable miracles This

book gives an accessible and concise overview of one of Keener's most significant research topics. His earlier two volume work on miracles stands as the definitive word on the topic but its size and scope are daunting to many readers. This new book summarizes Keener's basic argument but contains substantial new material including new accounts of the miraculous. It is suitable as a textbook but also accessible to church leaders and laypeople. [The Gospel of Inclusion](#) Carlton Pearson, 2009-03-10. Draws on biblical scripture to argue that the controlling dogmas of religion have caused many of the world's ills and that we should have the same attitude in a controversial study that calls for an end to conflict and division along religious lines.
