the Senior PGA Tour back in the 1990s I expected it to be like any other country club stuffy and full of ostentatious people who hadn't really done much in life other than ride their wealthy and powerful parents coattails and live off of old money generational wealth Thus I was almost convinced Robbie and Sebastian would be of that ilk but I was pleasantly surprised it was not at all the case for the club or the people The lavish clubhouse the hospitable staff and the 100 million view were astounding a panorama of the blue Atlantic beyond the sand dunes that separated the Dunes Club from any other private club The driver pulled the tinted window Town Car under the porte cochere and opened the door for me I could smell the salty sea air which was quite invigorating I could faintly hear the waves crashing ashore on the other side of the sand dunes but other than that there was a peacefulness and serenity that enveloped the place As I gazed over the vast green lawn leading toward the sand dunes my mind wandered from my purpose for visiting I was quickly jolted back to reality by the sound of a young woman's greeting Mr Cartwright she said with some authority holding the double doors open I snapped my head in her direction and nodded That's right I said She smiled and motioned me inside Mr Clinger is expecting you she said I suppose he is I assured her perhaps a little too bluntly and coldly She was very beguiling but I wasn't one to be fooled by her
