Colleen Stan: The Simple Gifts of Life Jim B. Green, 2009-03-02 Throughout my captivity I was never told what was going to happen next or why This lack of knowledge was used by Master to maintain a continuous element of fear and control over me Anytime I was taken out of the box I never knew what to expect Fear of the unknown was always with me as I was kept in the dark both physically and mentally This lack of knowledge may have been a good thing in one sense If I had known the length of my entombment after returning from Riverside I'm not sure I would have survived Of course I'm not sure even Master knew how long he was going to keep me in the box A few days passed then a few more Then weeks passed followed by months Months slowly turned into years I would spend the next three years of my life 1981 1984 in
