

## *I Love You, Mom*

*It would be nice if life didn't get  
quite so busy and I could see you  
as often as I'd like . . .*

*But in a way, Mom, you are  
with me every single day . . .*

*You're in my thoughts and in my heart.  
I hear the steady reassurance of your voice  
and feel the confidence that grew out of  
your encouragement and love.  
And part of me is always with you, Mom . . .  
thinking of you, loving you,  
and caring about you so much.*

Scott,2010-06-11 Simple poems for everybody **A Book of Poems to My Heavenly Mother (Sarai) with Love (Newly Revised** Yehuwdiyth Yisrael,2018-05-18 this book is about my heavenly mother of heaven that is here on earth also this is not a fictional book at all and it is for the minds that doesn t think that God Yahweh YHWH LOVE Himself doesn t have a mate wife and that there isn t a Mother of Heaven that is the mother of all living and that she is to be honored too along with the father of Heaven Mr LOVE Himself in fact it s for the ones who wants to know of this reality and what God and her has to say also Crystal Yehuwdiyth Y Yisrael LOVE MYSELF 100 Ways to Say I Love You Mother Mr James Lee Watson Sr,2012-04-10 100 Ways to Say I love You Mother a compelling book that every child young or old should give to their mother as a gift for this Holiday or any special occasion Although the book is small and compact it is riveting with subchapters and passages that every person can identify with The book elicits many different mixed emotions You can definitely learn something from each and every topic in the book The author s favorite subtopic is the Mother s Ten Golden Rules but there are many in the book which the author thinks other readers will select as their favorites The insightful events of everyday life make the book especially ripe for reading over and over again Although the author emphasizes the importance of love between mother and child the book is also embedded with many life experiences that a person encounters The compactness of the book is intentional so people can carry the book with them wherever they go for inspiration as well as meditation The author states I wanted to honor my mother and inspire others to reflect on how much they love and appreciate their own mothers The book runs the spectrum of emotions happiness success courage faith confidence love respect gratitude acceptance communication and wealth in a single reading The author goes on to say Once you have read 100 Ways to Say I Love You Mother you will look at your relationship with mother and your own children in a different light The author thinks that 100 Ways To Say I Love You Mother is unusual in that it is written by an adult recalling his experiences as a child growing up and remembering how he perceived his mother through his now adult eyes Not only does the book hold his personal recollections but also the recollections of others such as friends relatives and neighbors close to his Mother Collections of Poems Birler Southern,2017-10-25 My book is to let others know God has no respect of persons He will do the same for you My book is true everything is true no matter the circumstance or situation If you ask you will receive This is my season Whatever I do I shall prosper *I Love You Mummy* LINDA. **A Gift from the Heart** Mary Greeley,2006-11 In America we have so many freedoms that we daily take for granted We go about our days never thinking of those men and women who serve in our military We never think of the sacrifices they make for us or that their families make for us Unless you are familiar with a member of the military you may not understand just how much they give After a war or even during one military personnel and their families do their best to make sure that those freedoms stay in place Time together is often sacrificed for training missions or when orders come through for their services away from family Bravely they step forward and follow orders they receive They do their duty with honor and with the courage they each have to make sure that we who

live here and the generations to come may have the same freedoms they grew up with and enjoyed It is simply their daily gift to us This book not only shares what life is like in many ways for those who have ever served but it is also a way to say thank you We owe them all so much and hopefully this book will lovingly explain why their simple gift to all of us is given so freely
