Duoethnography in English

Language Teaching Robert J. Lowe,Luke Lawrence,2020-02-05 This book sets out duoethnography as a method of research reflective practice and as a pedagogical approach in English Language Teaching ELT The book provides an introduction to the history of duoethnography and lays out its theoretical foundations The chapters then address duoethnography as a research method which can be used to explore critical and personal issues among ELT teachers discuss how duoethnography as a reflective practice can aid teachers in understanding themselves their colleagues or their context and demonstrate how duoethnography can be used as a pedagogical tool in ELT classrooms The chapters are a range of duoethnographies from established and emerging researchers and teachers which explore the interplay between cultural discourses and life histories with a focus on ELT in Japan **Sensors in Agriculture** Dimitrios Moshou,2019-06-12 Agriculture requires technical

solutions for increasing production while lessening environmental impact by reducing the application of agro chemicals and increasing the use of environmentally friendly management practices A benefit of this is the reduction of production costs Sensor technologies produce tools to achieve the abovementioned goals The explosive technological advances and developments in recent years have enormously facilitated the attainment of these objectives removing many barriers for their implementation including the reservations expressed by farmers Precision agriculture and smart farming are emerging areas where sensor based technologies play an important role Farmers researchers and technical manufacturers are joining their efforts to find efficient solutions improvements in production and reductions in costs This book brings together recent research and developments concerning novel sensors and their applications in agriculture Sensors in agriculture are based on the requirements of farmers according to the farming operations that need to be addressed Language Textbooks in the era of Neoliberalism Pau Bori,2018-02-15 This book examines how neoliberalism finds expression in foreign language textbooks Moving beyond the usual focus on English Pau Bori explores the impact of neoliberal ideology on Catalan textbooks By comparing Catalan textbooks to English textbooks this book interrogates the similarities and differences between a minor and a global language in the age of neoliberalism Drawing on insights from critical theory and critical pedagogy this study provides a fresh perspective on foreign language textbooks and second language education more broadly Language Textbooks in the Era of Neoliberalism paves the way for new critical perspectives in language education that will challenge the current hegemony of neoliberalism World Englishes Ee Ling Low,Anne Pakir,2017-10-31 In this book leading scholars in the field of World Englishes WE offer fresh perspectives in re thinking issues on the use of English as a global language in an interconnected world Established as a legitimate field of study WE offers a conceptual framework which has influenced

scholarship in many related disciplines contact linguistics postcolonial Englishes English as a lingua franca English as an international language and applied linguistics This seminal volume will have an excellent balance between theoretical and empirical works focusing on scholarship that has arisen in relation to the Kachruvian Three Concentric Circles model This book covers topics such as state of the art review of WE WE and contact linguistics post colonial Englishes English as a Lingua Franca English as an International Language WE and applied linguistics language measurement and testing in WE language policy and management language education and dynamic ecologies language typology WE as a new canon WE and corpus linguistics WE and multimodalities and makes predictions about the future of WE It contains a comprehensive and up to date bibliography of major works published in the field
