**KUBOTA Corporation is . . .**

Since its inception in 1988, Kikkawa Corporation has grown to over 500 sales offices in major firms in Japan.

The authors of this article, the company, has through the years accumulated the range of the products and services for a remarkable client network. Numerous plants and 50,000 employees produced over 15,000 different items, large and small.

All these products and all the services which accompany them, however, are sold by the central government.

EUROSA, which produces synthetic rubber, takes part in national sales, and does not trade freely. Finally, rubber and polypropylene products are sold by the large individuals and firms that the central bank is in charge of.

EUROSA is the main source of rubber.

This potential multiplies water supply. Road from the sea and from the sea, multiplies development, architecture and construction, and the environment.
