Up-Country Swahili - For the Soldier, Settler, Miner, Merchant, and Their Wives - And for all who Deal with Up-Country Natives Without Interpreters F. H. Le Breton, 2020-10-16 Up Country Swahili Exercises is a guide to learning Swahili complete with exercises Swahili also known as Kiswahili is a Bantu language and the first language of the Swahili people It is a lingua franca of the African Great Lakes region and other parts of Southeast Africa including Tanzania Kenya Rwanda Uganda Burundi Mozambique and the Democratic Republic of the Congo This volume concentrates on rural dialects and the more commonly spoken language rather than Correct Swahili and it will be of considerable utility to those wishing to learn it Contents include Adjectives Adverbs Comparison of Adjectives Conjunctions Demonstrations English Derived Words Interrogative Locative Case Measure Money Na Nouns Numerals Personal Prefixes Pronunciation Solutions to Exercises etc Many vintage books such as this are becoming increasingly scarce and expensive We are republishing this book now in an affordable modern high quality edition complete with the original text and artwork *Proverbs from the Lamu Archipelago and the Central Kenya Coast* Jan Knappert, 1986 Guilt of Otherness Mohamed A. Eno, 2013-09-15 r Eno s poetry represents a beautiful corona amidst the earlier African poetry Prof Monica Nalyaka W Mweseli Dept of Literature University of Nairobi Eno writes about inequality marginalization and oppression among others combining the English language with a writing style that shows an interrelationship between social thought and environment Saturday Nation Kenya Dr Eno through his thought provoking and candid poems opens a wound that many Kenya scholars must rise up and heal The book is a mastery of the true character of African leaders who supported by our scholars plunder our national resources It is also written in an African setting depicting situations such as happening in Somalia It should be a must buy for our politicians and scholars who when close to power become so disconnected from the masses to a level where oppression of the marginalized the questionable wealth of the illiterates criminals and of leaders become the norm rather than the exception Victor Bwire THE PEOPLE Kenya **Kenya National Assembly Official Record (Hansard)** ,1987-03-12 The official records of the proceedings of the Legislative Council of the Colony and Protectorate of Kenya the House of Representatives of the Government of Kenya and the National Assembly of the Republic of Kenya *African Industrialisation* ,1986 Interdisciplinary research report on the political economy of industrialization in Tanzania based on a series of studies of Tanzanian industrial enterprises and nationally aggregated data Blood, Milk, and Death Marja L. Swantz, Salome Mjema, Zenya Wild, 1995-03-23 Beginning with the myth of origin that joins every young Zaramo woman to her origins as she is initiated into the secrets of life and womanhood the book then provides us with an historical account of the Tanzanian coast around Dar es Salaam as a background to the persistence of the cultural institutions to which the reader is introduced Statements and narrations by Salome as a representative of the modern educated Zaramo people intersperse the author s descriptions of the rituals of womanhood of individual and social healing and of the ways conflict is symbolically manipulated

and managed Rituals are seen in their vibrant role not as remnants of tradition but as means of handling encroaching external pressures on the community These pressures include commercialization of livelihood development thrust in the form of villagization or the ongoing process of losing land rights The book shows that a people will counteract the threat of social disintegration by overemphasizing their core values in an attempt to create strong communication forces and instruments of power A good introduction to contemporary African issues Third World women s studies and ethnographic anthropology
