

Molly Malone

Traditional

*In Dublin's fair city, where the girls are so pretty
I first set my eyes on sweet Molly Malone
As she wheeled her wheelbarrow through streets broad and narrow
Crying cockles and mussels alive a-live O!*

*A-live a-live O! A-live a-live O!
Crying cockles and mussels alive a-live O!*

*She was a fishmonger and sure it was no wonder
For so were her father and mother before
And they both wheeled their barrows through streets broad and narrow
Crying cockles and mussels alive a-live O!*

*A-live a-live O! A-live a-live O!
Crying cockles and mussels alive a-live O!*

*She died of a fever and no one could save her
And that was the end of sweet Molly Malone
Now her ghost wheels her barrow through streets broad and narrow
Crying cockles and mussels alive a-live O!*

*A-live a-live O! A-live a-live O!
Crying cockles and mussels alive a-live O!
A-live a-live O! A-live a-live O!
Crying cockles and mussels alive a-live O!*

Go Away Girl Irish Song:

Legacies of Ewan MacColl Giovanni Vacca, 2016-09-17 Ewan MacColl is widely recognized as a key figure in the English folk revival who tried to convey traditional music to a mass audience. Dominant in the movement during the 1950s and much of the 1960s, his position has come under attack in more recent years from some scholars. While it would be arrogant to claim to set the record straight, this book will contribute significantly to the debate surrounding MacColl's importance. MacColl gave two extended interviews with co-editor Giovanni Vacca in 1987 and 1988, not long before his death, and these provide the impetus for a re-examination of his methods, his politics, and his aesthetic aims. The book also provides critical overviews of MacColl's activities in the revival and of his practices, particularly as writer and singer. The time is ripe for such a contribution, following Peter Cox's study of the Radio Ballads and in the context of biographies by Joan Littlewood and Frankie Armstrong. The contributions locate MacColl in his own historical context, attempting to understand some of the characteristic techniques through which he was able to write and sing such extraordinary songs, which capture so well for others the detail and flavour of their lives. Great emphasis is placed on the importance of seeing MacColl as not only a British but a European folk activist, through discussion of his hitherto barely known work in Italy, enabling a re-contextualization of his work within a broader European context. The interviews themselves are fluent and fascinating narrations in which MacColl discusses his life, music, and experiences in the theatre and in the folk music revival, as well as with a series of issues concerning folk music, politics, history, language, art, and other theoretical issues, offering a complete description of all the repertoires of the British Isles. Peggy Seeger contributes a Foreword to the collection. *Country Music* Irwin Stambler, Grelun Landon, 2000-07-14 A comprehensive reference source on the history, impact, and current state of country music, offering portraits of figures in the country music world. **Catalog of Copyright Entries** Library of Congress. This book explores how Western perceptions of Burma were influenced by the popular music of the day. From the First Anglo-Burmese War of 1824-6 until Burma regained its independence in 1948, more than 180 musical works with Burma-related themes were written in English-speaking countries, in addition to the many
