Goat Days Benjamin:

Goat Days Benjamin, 2012-07-17 Najeed's dearest wish is to work in the Gulf and earn enough money to send back home. He achieves his dream only to be propelled by a series of incidents grim and absurd into a slave-like existence herding goats in the middle of the Saudi desert. Memories of the lush verdant landscape of his village and of his loving family haunt Najeed whose only solace is the companionship of goats. In the end the lonely young man contrives a hazardous scheme to escape his desert prison. *Goat Days* was published to acclaim in Malayalam and became a bestseller. One of the brilliant new talents of Malayalam literature Benjamin's wry and tender telling transforms this strange and bitter comedy of Najeed's life in the desert into a universal tale of loneliness and alienation.

It combines formal and thematic analyses of photographs films and literature with anthropological and historical details to offer a nuanced understanding of the construction of the Gulf and its translation to the cultural imaginary of Kerala. It explores the dissonance between the private and public discourses on the Gulf among migrants and non migrants and demonstrates the role of this disjuncture in the continued fascination for Gulf migrant lives. An enquiry into the various dimensions of the Gulf in Kerala as an acknowledged means of living as a rumour an object of gossip a public secret or even a private thrill this book debunks the idea of language as a common entity and studies the tentative borders built within. Finally it explores the resources possibilities and perils of affiliative communities constructed along and across those borders.

Temporary Cities Yasser Elsheshtawy, 2019-03-28 Are Arab Gulf cities the likes of Dubai Abu Dhabi or Doha on their way to extinction Is their fate obsolescence Or are they the model for our urban future Can a city whose very existence is predicated on an imported labour force who build and operate these gleaming urban centres remain a viable urban entity Could the transient nature of this urban model its temporariness and precariousness also be its doom In this wide ranging book Yasser Elsheshtawy takes on these tough but necessary questions aiming to examine the very nature of the Arab Gulf city and whether it can sustain its existence throughout the twenty first century Having lived in the region for more than two decades he researched its marginalized and forgotten urban settings trying to understand how a temporary people can live in a place that inherently refuses to give them the possibility of becoming citizens By being embedded in these spaces and reconciling their presence with his own personal encounters with transience he discovered a resilience and defiance against the forces of the hegemonic city Using subtle acts of resistance these temporary inhabitants have found a way to sustain and create a home to set down roots in the midst of a fast changing and transient urbanity Their

stories recounted in this book through case studies and in depth analysis give hope to cities everywhere Transience is not a fait accompli rather the actions of citizens residents and migrants even in the highly restrictive spaces of the Gulf show us that the future metropolis may very well not turn out to be a utopia of the few and a dystopia of the many This could be an illusion but it is a necessary illusion because the alternative is irrelevance
